"In the name of God Amen, I, Willis Wright of Barbour county West Virginia, being in old age, but of sound and disposing mind and memory, do make this to be my last Will and Testament, as follows:

. . . .

Second: I will and bequeath to my son Samuel S. Wright, that part of my real estate on which he and my self, reside at this time, to have and hold the same in fee simple. This land, so devised, is to be that part of my land lying towards the waters of Simpson Creek, from the top of the ridge and is supposed to embrace 120 acres more or less. This land also in the hands of my son Samuel S. is charged with the support and maintenance of my invalid daughter, Emily Wright, who is to have a comfortable home and support with and from him during natural life with decent burial at her decease with which the land so devised is to be chargeable. Third: the rest and residue of my land, supposed also to be 120 acres, more or less, and which adjoins that devised to Samuel S. on the other side of the dividing ridge, I bequeath and devise to my two daughters, Rhoda A. Cook, wife of Sylvanus Cook, and Harriett Wright, to have and to hold in fee simple, and to share equally therein, share and share alike, both as to quantity and quality. Fourth: I will, devise, and bequeath that my personal estate and effects subject to payment of my debts, and my said wife's distributive share, and made exempt by law for her use, shall as to the residue thereof, be equally divided and distributed among the said three devisees hereinbefore named, Samuel S Wright, Rhoda A. Cook, and Harriett Wright, to be paid by my personal representative, upon a final settlement and distribution of my estate, as is herein provided for, I have other living children than these herein provided for, besides grandchildren from children deceased, whom I have not forgotten, and would gladly provide for, were I able to do so; but in my extreme old age, I am under peculiar obligation to those herein named as my legatees for indispensable services and can last to the full extent of my small estate; and in thus disposing of it, I have been governed accordingly. And lastly: It is my further wish and will that in the event of the death of my said son, Samuel S. Wright, without children

or issue born of him, that the land herein devised to him shall descend and be held in fee by his brothers and sisters, and their issue surviving him, as my heirs at law.

....

In witness whereof to this my last will and testament I have set my hand and seal on this the 10th day of July in the year 1891.

Willis Wright

Wright in the Willis Wright household on June 17, 1880, and his age as 19 and born in West Virginia, indicating a date of birth in about 1861, which is consistent with the birth and prior census records for William WRight. Although this census record listed him as

James W. Wright, this is the only record for William Wright that did so. (II) Lucinda (Wright) Adams, Her Husband William Adams, And Her Descendants

Lucinda (Wright) Adams was a daughter of Joshua Wright (Barbour County, Virginia) and Susanna (Carroll) Wright. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Joshua⁵)

The marriage record of Lucinda Wright and William Adams was dated on December 22, 1825, in Harrison County, Virginia (now West Virginia):

"Book 4, Page 221

Know all men by these presents, that we William Adams and Joshua Wright are held and firmly bound unto James Pleasants Esquire, Governor of the Commonwealth of Virginia, for the time being, and his successors, for the use of said Commonwealth, in the sum of one hundred and fifty dollars, to which payment well and truly to be made, we bind ourselves, our and each of our heirs, executors and administrators, jointly and severally, by these presents, sealed with our seals, and dated this 22d day of December 1825

Whereas, a marriage is suddenly intended to be had and solemnized between the above bound Willia Adams and Lucinda Wright

Now the condition of the above obligation is such, that if there be no lawful cause or just impediment to obstruct the said marriage, then the above obligation to be void, else to remain in full force and virtue.

The History of Ritchie County, by Minnie Kendall Lowther and published in 1911, stated that:

". . . .

William Adams was another early settler on the waters of the Middle fork. Though his domain was just across what is now the Ritchie and Doddridge county line, his interests were identical with those of the other pioneers of this vicinity. He was a native of Harrison county--the son of Jonathan Adams, a Revolutionary soldier, who fought under General Washington. He married Miss Lucinda Wright, of Harrison county (who was a member of the Wright family, of Spruce creek), and in 1840, took up his residence in the forest where his son, William Adams, now lives. Here he passed from sight in 1861; and in the Auburn cemetery, beside his wife, he sleeps. After the death of the wife of his youth, he married Miss Louisa Summers, sister of Joseph and Elijah Summers; and they were the parents of five children: Elijah, and Alexander Adams, Mrs. Susana Pierce, Mrs. Margaret Husk, and Mrs. Flora Edgell, of Doddridge county.

The children of the first union were; viz.,

William, who lives at the old homestead; Joshua Adams, of Summers--the father of the well known lawyer, Homer Adams, of Harrisville; the late Jackson Adams, of Summers; Mrs. Mary (Thos.) Hickman, of Grove; and the late Mrs. Harriet (Elias) Snodgrass, Ritchie county; the late Mrs. Mary Ann Leeson, the late Mrs Elizabeth Lipscomb, and the late Mrs. Sarah Gray, who was the mother of the Gray Brothers, of Elizabeth, Wirt county."

From the evidence set forth above and additional evidence set forth below, the children of Lucinda (Wright) Adams and William Adams were the following:

- 1) Harriet (Adams) (Snodgrass) Hess, born in about 1827 or 1828 or 1829 or 1833 in Virginia,
- 2) Mary A. (Adams) Leeson, born in about 1830 or 1838 or 1839 in Virginia,
- 3) Sarah Ann (Adams) Gray, born in October 1830 or in about 1831 or 1832 in Virginia,
- 4) Andrew Jackson Adams, born in about 1833 or 1834 in Virginia,
- 5) Joshua Adams, born on July 4, 1835, or in about 1836 or 1837 in Virginia,
- 6) Elizabeth (Adams) Lipscomb, born in about 1838 or 1840 in Virginia,
- 7) William Adams, born on December 3 or 8, 1839, or in about 1840 in Virginia,
- 8) Martha J. Adams, born in about 1845 or 1846 in Virginia, and
- 9) Mary J. (Adams) Hickman, born in February 1843 or in about 1845 or on February 24, 1847, or in about 1848 in Virginia.

(A) Harriet (Adams) (Snodgrass) Hess, Her
Husbands Elias Snodgrass And
Archibald Hess, And Her Descendants

Harriet (Adams) (Snodgrass) Hess was a daughter of Lucinda (Wright) Adams and William Adams. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Joshua⁵, Lucinda⁶)

The marriage record of Harriet Adams and Elias Snodgrass was dated on December 31, 1838 [1848?], in Lewis County, Virginia (now West Virginia):

"I the undersigned Authorised by the County Court of Lewis County Va herby certify that I Joined together Elias Snodgrass and Harriet Adams in the Holy state of Matrimony on the 31st day of December 1838 by virtue of a Licen Issued from the Clerk of the County Court of Doddridge County as witness my hand this 21st day of December 1849

George Collins"

This record was recorded among other marriage records from 1848 and the date of 1838 for the marriage is clearly an error. Harriet Adams would have been only nine years old in 1838 and the certification was file in 1849.

The 1850 Census for Ritchie County, Virginia (now West Virginia), listed Elias Snodgrass with the following household on September 5, 1850:

This record indicates that James W. Wright was born in about 1814 and that Ruth (Mitchell) Wright was born in about 1844.

The History of Ritchie County, by Minnie Kendall Lowther and published in 1911, stated that:

"The Wright Brothers. - the next settlers in this section were James and Harrison

Wright, two brothers, who came from Barbour county, in 1842, and found permanent homes, and final resting places here.

James Wright took up his residence near one mile below the little hamlet of Lawford, on the farm that is now owned by his sons, Joshua and James, and Robert Pride - the latter being the occupant of the old home. Here he passed away in 1884, and in the old Spruce creek burying-ground on the M. L. Law farm he is sleeping. He first married Miss Mary Wiant, and Joshua was the son of this union; three others having died in childhood. His second wife was Miss Elizabeth Calhoun, daughter of Allen Calhoun, and she was the mother of the Rev. Allen Wright, of Parkersburg; James, of Spruce creek; and Columbus, who died in the asylum at Weston. His last wife was Ruth, the daughter of Daniel Mitchell. He was a blacksmith by trade and one of the earliest in this section. He had wielded the hammer on the Doddridge county side, for a short time, before coming to Spruce creek.

The Wrights are of Scotch-Irish descent. The grandfather of James and Harrison Wright crossed the sea, near 1745, and married a Virginia girl by the name of Porter, and settled in this colony. He served as a Revolutionary soldier; and from his son Joshua, who was born in the "Old Dominion," in 1770, the Ritchie county families come

This record identifies James W. Wright as a son of Joshua Wright, his first wife as Mary (Wiant) Wright, and his death in 1884 in Ritchie County, West Virginia. From the evidence set forth above and additional evidence set forth below, the children of 1884 James W. Wright and Mary (Wiant) Wright were the following:

1) Joshua Wright, born in October 1845 or in about 1847 in Ritchie County, Virginia (now West Virginia), and

the children of James W. Wright and Elizabeth (Calhoon) Wright were the following:

2) James Wright, born on July 16, 1855, or in about 1856 or 1857 in Ritchie County, Virginia (now West Virginia), and

3) Columbus Wright, born on October 3, 1858, in Ritchie County, Virginia (now West Virginia).

The History of Ritchie County, by Minnie Kendall Lowther and published in 1911, stated that:

". . . .

The Wrights are of Scotch-Irish descent. The grandfather of James and Harrison Wright crossed the sea, near 1745, and married a Virginia girl by the name of Porter, and settled in this colony. He served as a Revolutionary soldier; and from his son Joshua, who was born in the "Old Dominion," in 1770, the Ritchie county families come.

Besides James and Harrison - of this county - Joshua Wright's other children were, the late Mrs. Wm. Adams (Lucinda) of Doddridge county - grandmother of Lawyer Homer Adams, of Harrisville; the late Mrs. David Cleavenger (Jemima), of Gilmer county; Mrs. Sylvester Monroe (Elizabeth), sleeps in Harrison county; Willis, and Thompson, in Barbour county; and Joshua Wright was a citizen of Seattle, Washington, the last account, he being the only survivor of the family."

"The Wright Brothers. - the next settlers in this section were James and Harrison Wright, two brothers, who came from Barbour county, in 1842, and found permanent homes, and final resting places here.

. . . .

Dr. Harrison Wright made his settlement, near one mile above Lawford, on the farm that is now owned by his grandson, Addison Wright. He also owned the Samuel Davidson farm - now the property of M. L. Law. He was born on Simpson's creek, in what is now Barbour county, on June 14, 1815, and died on January 17, 1889, and in the Mt. Olive churchyard - the Progressive Brethren - on Spruce creek, he lies buried. He married Miss Elizabeth Cleavenger, daughter of Edman Cleavenger, of Barbour county, who was born in 1820, and was laid by his side in 1902. She was of Dutch descent and was a distant relative of George Washington.

Their children: Zachariah, Lloyd, Alexander, Mrs. Mary Ann Rollins, Harrison Wright, junior, Mrs. Adaline Weaver, Mrs. Clarinda Weaver, all reside on the waters of Spruce creek; Mrs. Elizabeth Bright lives in Greenbrier county; David died in the Rock Island prison during the late Civil war; Ali, near Lawford; Mrs. Moriah Gragg, in Gilmer county; and Edgar, in childhood. The Wrights are of Scotch-Irish descent. The grandfather of James and Harrison Wright crossed the sea, near 1745, and married a Virginia girl by the name of Porter, and settled in this colony. He served as a Revolutionary soldier; and from his son Joshua, who was born in the "Old Dominion," in 1770, the Ritchie county families come."

....

Dr. Harrison Wright made his settlement, near one mile above Lawford, on the farm that is now owned by his grandson, Addison Wright. He also owned the Samuel Davidson farm - now the property of M. L. Law. He was born on Simpson's creek, in what is now Barbour county, on June 14, 1815, and died on January 17, 1889, and in the Mt. The History of Ritchie County, by Minnie Kendall Lowther and published in 1911, included the following biographical sketch of Harrison Wright which identified Clarinda (Wright) Weaver as his daughter :

"The Wright Brothers. - the next settlers in this section were James and Harrison Wright, two brothers, who came from Barbour county, in 1842, and found permanent homes, and final resting places here.

. . . .

Dr. Harrison Wright made his settlement, near one mile above Lawford, on the farm that is now owned by his grandson, Addison Wright. He also owned the Samuel Davidson farm - now the property of M. L. Law. He was born on Simpson's creek, in what is now Barbour county, on June 14, 1815, and died on January 17, 1889, and in the Mt. Ollive churchyard - the Progressive Brethren - on Spruce creek, he lies buried. He married Miss Elizabeth Cleavenger, daughter of Edman Cleavenger, of Barbour county, who was born in 1820, and was laid by his side in 1902. She was of Dutch descent and was a distant relative of George Washington.

Their children: Zachariah, Lloyd, Alexander, Mrs. Mary Ann Rollins, Harrison Wright, junior, Mrs. Adaline Weaver, Mrs. Clarinda Weaver, all reside on the waters of Spruce creek; Mrs. Elizabeth Bright lives in Greenbrier county; David died in the Rock Island prison during the late Civil war; Ali, near Lawford; Mrs. Moriah Gragg, in Gilmer county; and Edgar, in childhood.

viii. Nancy (Wright) Kendall And Her Husband William Kendall

Nancy (Wright) Kendall was a daughter of 1805 William Wright of Fauquier County and Elizabeth (Lloyd) Wight. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴)

Charles Parish, York County, Virginia, History And Registers, by Landon C. Bell, listed the birth of Nancy Wright, daughter of William and Elizabeth Wright, on March 3, 1778:

"Wright, Nancy, dau. of William and Elizabeth, b. March 3, bap. April 17, 1778. ("Ykhmpton")."

However, there were two William Wrights with wife Elizabeth Wright in York County at about this time, both of whom had a daughter Nancy. As set forth below, Nancy Wright who married William Kendall was born on November 3, 1784, or in about 1785, not in 1778. Therefore, this record was probably for 1778 William Wright of York County, the son of 1736 William Wright of York County, and his wife Elizabeth (____) Wright, and not for Nancy Wright, the daughter of 1805 William Wright of Fauquier County and Elizabeth (Lloyd) Wright.

The marriage record of Nancy Wright, daughter of Elizabeth Wright, and William Kindall or Kendale was dated on August 1, 1808, in Fauquier County, Virginia:

"August 18t 1808 This is to certify, Wm. Kindall hath liberty to take out a License from the office of the court of Fauquier County, to enter into the holy state of matrimony with my Daughter Nancy Wright: Given under my hand the date above written.

listing of Joshua Lemert as surety identify Nancy as a daughter of 1805 William Wright
of Fauquier County and Elizabeth (Lloyd) Wright.

Neither James Norris nor Lucy (Wright) Norris has as yet been found in the 1850 Census.

The 1860 Census for Coshocton County, Ohio, listed James Norris with the following household on June 23, 1860:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Color</u>	<u>Occupation</u>	<u>Value of Real Estate</u>
James Norris	76	m		Farmer	2000
Lucy Norris	74	f		.

This record indicates that Lucy (Wright) Norris was born in about 1786 and that James Norris was born in about 1784. Although the record lists their place of birth as in Ohio, this is unlikely and was probably the census taker carelessly making ditto marks rather than correctly noting the place of birth.

In their letter dated August 11, 2006, Mike and Karen Wright enclosed a photograph of the tombstone of James Norris in Croy Family Cemetery, Coshocton County, Ohio, which listed the following:

"James Norris
Died
Mar. 11, 1864
Aged 80 yrs & 6 mo"

This record indicates that James Norris was born on September 11, 1783.

Findagrave.com listed the same gravestone for James Norris.

The will of James Norris was dated on September 5, 1855, probated on April 9, 1864, at Coshocton County, Ohio, W.B. 2/135, and provided as follows:

"In the matter of the last will)

And it appearing to the court by said testimony that said will was duly attested and executed and that the said testator at the time of executing the same was of full age and of sound mind and memory and not under any restraint, it is ordered by the court that said will and testimony be recorded.

Said will is as follows: I, James Norris of Coshocton County and State of Ohio, do make and publish this my last will and testament. seventy five dollars a year during her natural life, and all the stock, house=hold goods, furniture, provisions and other goods and chattles which may be thereon at the time of my decease during her natural life as aforesaid; she, however, selling so much thereof as may be sufficient to pay my just debts. At the death of my said wife the real estate aforesaid and such parts of the said personal property or the proceeds thereof as may then remain unconsumed I give and devise to my son Demiah and his heirs, and the said Demiah Norris shall pay James Norris, Samuel Norris, Sarah Wright, Rebecca McClarin, each Two Hundred Dollars, also James W. In their letter dated August 11, 2006, Mike and Karen Wright also enclosed a
photograph of the tombstone of Lucy Norris in Croy Family Cemetery, Coshocton
County, Ohio, which listed the following:

"Lucy
wife of
James Norris
Died
Dec. 22 1867
Aged 82 yrs
& 5 mos"

This record indicates that Lucy (Wright) Norris was born on July 22, 1785.

Findagrave.com listed the same gravestone for Lucy Wright Norris.

History Of Coshocton County, Ohio: Its Past And Present, 1740-1881, by N. N.
Hill, Jr., and published in 1881, listed the following for James Norris:

". . . .
James Norris, also from Virginia, came in 1807, and settled upon the southwest
quarter of section 14. The next year his brothers, Joseph, Daniel and William,
and his father, William Norris moved out. The latter settled upon the southeast
quarter of section 14. Joseph occupied lot 16, just above. Joseph and James
had married sisters of Joseph Wright, in Virginia. Daniel and William, Jr.,

married daughters of Joseph McCoy. These three families, the Wrights, Norrises and McCoys, have intermarried in this township to a considerable extent, so as to render it impossible to determine the various relationships. Each member of each of these families in fact, sustains a number of relationships to each and every other member of the three families. The families are still numerous represented in the township. William Norris, Sr., was a soldier in the revolutionary war."

From the evidence set forth above, the children of Lucy (Wright) Norris and James Norris were the following:

- 1) Abner Norris, born on March 31, 1806,
- 2) Elizabeth (Norris) (Cooksey) Dawson, born in about 1808 in Virginia,
- 3) Eveline Caroline (Norris) Bryan, born in about 1810 or 1811 in Ohio,
- 4) Samuel Norris, born in December 1823 or in about 1824 in Ohio,
- 5) James J. Norris, born in about 1824 or 1825 or in May 1826 or in about 1827 or 1828 or 1829 in Ohio,
- 6) Sarah (Norris) Wright,
- 7) Rebecca (Norris) McClaren, in about 1825 or 1826 or on April 4, 1827, in Ohio, and
- 8) Demiah Norris, born on September 29, 1833, or in about 1834 in Ohio.

Elizabeth (Norris) (Cooksey) Dawson was a daughter of Lucy (Wright) Norris and James Norris. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Lucy⁵)

This record indicates that Elizabeth (Norris) (Cooksey) Dawson and Marcus Dawson were born in about 1808. Although Abner and James W. were listed as Dawson, as set forth below, they should have been listed as Cooksey as children of Elizabeth's first marriage.

The will of James Norris dated on September 5, 1855, and probated on April 9, 1864, at Coshocton County, Ohio, W.B. 2/135, listed James W. Cooksey and Abner Cooksey as equalizing beneficiaries of his estate, but at a lower rate than others, indicating that ____ (Norris) Cooksey was a deceased daughter:

"I, James Norris of Coshocton County and State of Ohio, do make and publish this my last will and testament.

....

At the death of my said wife the real estate aforesaid and such parts of the said personal property or the proceeds thereof as may then remain unconsumed I give and devise to my son Demiah and his heirs, and the said Demiah Norris shall pay James Norris, Samuel Norris, Sarah Wright, Rebecca McClarin, each Two Hundred Dollars, also James W. Cooksey and Abner Cooksey each fifty dollars, and Elizabeth Dopen One Hundred Dollars and Lucyanne Norris the daughter of Abner Norris Two Hundred Dollars. I give and devise to Lucy Ann Norris aforesaid out of my Estate One Hundred Dollars with interest from fifty=one. I give and devise out of my Estate to the children of Caroline Bryan one hundred dollars with interest from fifty=one. And the said Demiah Norris shall pay the children of Caroline Bryan One Hundred Dollars. In testimony whereof I have hereunto set my hand and seal this 5th day of Sept. in the year 1855

...."

However, Elizabeth (Norris) (Cooksey) Dawson did not die until after June 21, 1860, and so was still living when the will was written in 1855. The total given to James W. Cooksey, Abner Cooksey, and Elizabeth Dopen was \$200, the same amount as given to other children of James Norris. For that reason, I think the listing of Elizabeth Dopen was a mis-transcription of Elizabeth Dawson and the \$100 gift was to her, splitting the gift between Elizabeth and the children of her first marriage.

The 1860 Census for Coshocton County, Ohio, listed Marcus Dawson with the following household on June 21, 1860:

Abner William Cooksey was a son of Elizabeth (Norris) (Cooksey) Dawson and Samuel Cooksey. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Lucy⁵, Elizabeth⁶)

The 1850 Census for Coshocton County, Ohio, listed Abner Dawson in the Marcus Dawson on October 31, 1850, and his age as 18 and born in Ohio, indicating a date of birth in about 1832. Although Abner and James W. were listed in this census record as Dawson, they should have been listed as Cooksey as children of Elizabeth's first marriage.

Ohio, County Marriage Records, 1774-1993, available from Ancestry.com, listed the marriage of Abner Cooksey and Sarah C. Hughs on August 4, 1854, in Coshocton County, Ohio:

(B) James William Cooksey, His Wife
Malona (McCoy) Cooksey, And His
Descendants

James William Cooksey was a son of Elizabeth (Norris) (Cooksey) Dawson and Samuel Cooksey. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Lucy⁵, Elizabeth⁶)

The 1850 Census for Coshocton County, Ohio, listed James W. Dawson in the Marcus Dawson on October 31, 1850, and his age as 17 and born in Ohio, indicating a date of birth in about 1833. Although Abner and James W. were listed in this census record as Dawson, as set forth below, they should have been listed as Cooksey as children of Elizabeth's first marriage.

The will of James Norris dated on September 5, 1855, and probated on April 9, 1864, at Coshocton County, Ohio, W.B. 2/135, listed James W. Cooksey as an equalizing beneficiary of his estate, but at a lower rate than others, indicating that James W. Cooksey was a son of ____ (Norris) Cooksey, a deceased daughter:

"I, James Norris of Coshocton County and State of Ohio, do make and publish this my last will and testament.

....

At the death of my said wife the real estate aforesaid and such parts of the said personal property or the proceeds thereof as may then remain unconsumed I give and devise to my son Demiah and his heirs, and the said Demiah Norris

shall pay James Norris, Samuel Norris, Sarah Wright, Rebecca McClarin, each Two Hundred Dollars, also James W. Cooksey and Abner Cooksey each fifty dollars, and Elizabeth Dopen One Hundred Dollars and Lucyanne Norris the daughter of Abner Norris Two Hundred Dollars. I give and devise to Lucy Ann Norris aforesaid out of my Estate One Hundred Dollars with interest from fifty=one. I give and devise out of my Estate to the children of Caroline Bryan one hundred dollars with interest from fifty=one. And the said Demiah Norris shall pay the children of Caroline Bryan One Hundred Dollars. In testimony whereof I have hereunto set my hand and seal this 5th day of Sept. in the year 1855
...."

The marriage record of James McCaskey and Malona McCoy was dated on January 1, 1857, in Coshocton County, Ohio:

"No. 1096
Filed Jan 6th 1857
James McCaskey and Malona McCoy

The State Of Ohio, Coshocton County, SS.

I hereby certify, that on the 1st day of January eighteen hundred and fifty seven I joined together in Marriage, James McCaskey and Malona McCoy

Francis McConnelle JP"

Although the groom was listed as James McCaskey, this was apparently a mistaken entry by either the person who performed the marriage or the clerk and later evidence set forth below identifies the groom as James W. Cooksie.

The 1860 Census for Coshocton County, Ohio, listed James Cookey with the following household on on June 23, 1860:

"WILLOW BROOK LADY DIES SUDDENLY

Mrs. Lucinda Dawson Found in Critical Condition on The Floor at Early Hour
Thursday Morning - Funeral Saturday

Mrs. Lucinda TAYLOR, aged about 65, died very suddenly Thursday morning at 6:30 at her home in Willow Brook. Mrs. Taylor had not been ill and started to get up Thursday at her usual time for rising. Her brother, B. F. Dawson, who makes his home with her, had gone downstairs to start the fires before calling his sister. When he returned upstairs, he found her lying on the floor in her room in a semi conscious state. He helped her to get back into bed and hurried downstairs for what ever restoratives he could find in the house. When he returned, he found his sister lying on the floor a second time.

Mr. Dawson is check weighman for the David Davis coal mines, and as he thought his sister was in serious condition, he went to the Willow Brook store to get someone to take his place at the mines. About ten minutes after returning to his home, his sister died.

She is survived by three brothers, B. F. Dawson, John Riley Dawson who lives near the Loder School house and Lindsay Dawson who lives near the Gray School. Elda Dawson of Coshocton is a nephew.

Funeral services will be held Saturday and interment will be made in the Millfork Cemetery.

Linza Dawson, aged 68, one of the best known farmers of the vicinity of Willow Brook died suddenly Monday morning at 9 o'clock. With the exception of a cold which was not severe enough to cause his family concern in regard to his condition, Mr. Dawson was in his usual health. He arose as usual yesterday morning and while about his daily duties about the farm he was suddenly seized by an attack of coughing. He hastened to the house where in spit of all that could be done to relive him he died in a few minutes.

Mr. Dawson was a life long resident of Coshocton county and was a highly respected citizen. His sudden death will come as a great shock to his many friends throughout the county.

In addition to the widow the deceased is survived by four sons John and H. S. of Conesville, C. C. and Ray Dawson of Coshocton and a daughter Bernice of the home.

Funeral services over the remains will be held tomorrow morning from the home at 9:30 (standard time.) Interment will take place in South Lawn cemetery Coshocton."

Seated in a chair, where he had been resting after returning from working in the fields, Linza Dawson, 67, a prominent Willow Brook farmer, was stricken with heart disease at 9:30 o'clock this morning and died before Dr. Cone, who was called from the city, could reach him.

Mr. Dawson had been working outside and had come in a short time before feeling as well as usual, but complained of feeling tired. He never rose from his chair which he took to rest. One of the most prominent men of the county, his loss is deeply felt, not only by his family but also by a wide host of friends and acquaintances.

He leaves in addition to the wife four sons, H. F. and John W. Dawson of Conesville, and C.C. and Ray Dawson of Coshocton, and one daughter, Miss

Newspapers.com listed the following obituary for Benjamin F. Dawson dated on October 15, 1919, in the Coshocton Tribune, Coshocton, Ohio:

"Willow Brook Man Killed By A Fall Of Mine Rock Tuesday

B. F. Dawson's Body Removed After Two Hrs. Of Hard Work

Had Been Dead Several Hours When Neighbors Came Upon Body

End Came Instantly

Heavy Rock Down Broke Aged Man's Back And Buried Him

Benjamin F. Dawson, 68, was found dead, his body badly mangled by a fall of rock, in the coal mine on his farm at Willow Brook Tuesday afternoon at 4:30 o'clock. It is supposed that he had started to push out a loaded car of coal when the rock fell on him and the car. Mr. Dawson had gone to the mine which he operates Tuesday morning and his daughter, Mrs. Garwin Stubbs, became alarmed when he had not returned home late in the afternoon. When her husband came home from work at the Tyndal mine of the Barnes Coal Company he started to search for Mr. Dawson and was horrified to find him buried beneath the rock in the mine. With the assistance of others Mr. Stubbs succeeded in removing his father-in-law's body from the mine at 6:30 Tuesday evening.

Dr. E. M. Wright was called from Coshocton and found the man had been dead probably several hours. His back was broken and it is supposed that he was killed almost instantly.

Mr. Dawson had lived all his life in the Willow Brook vicinity. He had been married twice, both of his wives preceding him to the grave. He was employed for several years as check-weighman at the Davis mines at Conesville and in later years mined coal for himself on a small scale. He became a member of church many years ago and had lived an upright, Christian life. He was familiarly known as Squire Dawson. He is survived by four children: Mrs. Bertha McCoy, Branch vicinity, by the first marriage; Mrs. Garwin Stubbs, Willow Brook; Miss Grace Dawson, Coshocton, and Aaron Dawson, Oyster Bay, N. Y., by the second marriage.

Two brothers, John R. Dawson, Roscoe, and Israel Dawson, Willow Brook vicinity, also survive.

Funeral arrangements had not been completed Wednesday, word being awaited as to when his son would arrive from New York. Rev. C. C. Irwin is to be in

charge of he services."

(Williams) Pepper was a daughter of Elizabeth (Norris) (Cooksey) Dawson and Marcus Dawson. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, Lucy⁵, Elizabeth⁶)

The marriage record of Pernel or Pernal Pepper and Malinda Dawson was dated on December 12, 1856, in Coshocton County, Ohio:

As set forth below, Pernel or Pernal W. Pepper was the second husband of Marietta Florence (Dawson) (Williams) Pepper.

The 1860 Census for Coshocton County, Ohio, listed Pearl Pepper with the following household on June 20, 1860:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Color</u>	<u>Occupation</u>	<u>Value of Real Estate</u>

This record indicates that Pernel or Pernal W. Pepper was born in about 1838.

The 1870 Census for Coshocton County, Ohio, listed Marietta F. Dawson in the Marcus Dawson household on June 18, 1870, and her age as 10 and born in Ohio, indicating a date of birth in about 1860.

Pernel or Pernal W. Pepper has not as yet been found in the 1870 Census.

The 1880 Census for Coshocton County, Ohio, listed Florence Williams in the Marcus Dawson household on Jun 8, 1880, her relationship as daughter, and her age as 20 and born in Ohio, indicating a date of birth in about 1850. This record indicates that Marietta Florence Dawson had married ____ Williams before June 8, 1880, but as set forth below, her son born in 1881 was named Clayton G. Dawson, not Williams, and the record of her marriage to Pernel Pepper listed her as Miss Florence Williams. No marriage record of Marietta Florence Dawson and a ____ Williams has been found and therefore, she may have taken the name of Williams without an actual marriage.

The 1880 Census for Pottawattamie County, Iowa, listed Pernel Pepper with the following household on June 21, 1880:

The unusual forfeiture provisions regarding Clayton G. Dawson, who was then only four years old, indicate a possible family dispute regarding his right to be a beneficiary, which is additional circumstantial evidence that he may have been the illegitimate son of Marietta Florence (Dawson) (Williams) Pepper.

"AVID BRYAN, the present recorder of Tippecanoe County, Indiana, is a native of this county, born in Tippecanoe Township, December 29, 1839, and a worthy representative of one of the pioneer families of the county. His father, David Bryan, Sr., was born January 4, 1806, near Harrisburg, in Dauphin County,

Pennsylvania, where he was reared, and when a young man went to Coshocton County, Ohio. He was married in Coshocton County to Miss Caroline Norris, and in 1838 they came to Tippecanoe County, Indiana, making the journey from Coshocton County in a one horse rig. The father then entered 160 acres of prairie land in Tippecanoe Township, having to go to Crawfordsville to make the entry. He brought with him to the county the small sum of \$41, but being a man of industrious habits and persevering energy he managed to make a good home for his family, and by his fair and honorable dealings he gained the respect of all who came in contact with him. His wife died in 1848. He is still a resident of Tippecanoe Township, where he is enjoying that rest which is the reward of a life of well-spent industry and toil. In early days he was a Whig, but has affiliated with the Republican party since its organization. He has served his township as justice of the peace.

Biographical Record And Portrait Album Of Tippecanoe County, Indiana,
published in 1888, listed the following regarding David Bryan in a biographical sketch of his son David Bryan, Jr.:

"AVID BRYAN, the present recorder of Tippecanoe County, Indiana, is a native of this county, born in Tippecanoe Township, December 29, 1839, and a worthy representative of one of the pioneer families of the county. His father, David Bryan, Sr., was born January 4, 1806, near Harrisburg, in Dauphin County, Pennsylvania, where he was reared, and when a young man went to Coshocton County, Ohio. He was married in Coshocton County to Miss Caroline Norris, and in 1838 they came to Tippecanoe County, Indiana, making the journey from Coshocton County in a one horse rig. The father then entered 160 acres of prairie land in Tippecanoe Township, having to go to Crawfordsville to make the entry. He brought with him to the county the small sum of \$41, but being a man of industrious habits and persevering energy he managed to make a good home for his family, and by his fair and honorable dealings he gained the respect of all who came in contact with him. His wife died in 1848. He is still a resident of Tippecanoe Township, where he is enjoying that rest which is the reward of a life of well-spent industry and toil. In early days he was a Whig, but has affiliated with the Republican party since its organization. He has served his township as justice of the peace. His son, David Bryan, was reared in Tippecanoe Township to a farm life, receiving his education in the schools of the same township. He remained under the home roof until the breaking out of the late war, when, October 7, 1861, he enlisted in the Union service at Battle Ground, and was assigned to Company H, Fortieth Indiana Infantry, under the command of Colonel Harry Learning, and was mustered in at La Fayette. From La Fayette the regiment went to Indianapolis, thence to Louisville, Kentucky, and from there proceeded to Camp Young, where it was organized as part of a brigade. Their first engagement was at Pittsburgh Landing, participating in the second day's fight at that place, after which they were at the battles of Perrysville, Stone River, Mission Ridge and Knoxville. They went from Chattanooga on the Atlanta campaign, and participated in every battle of that campaign, being under fire over 130 days. The regiment then went with General Thomas after Hood, and

took part in the battle of Franklin, and the final engagement at Nashville. After the battle of Stone river Mr. Bryan had been promoted to Second Lieutenant of Company H, Fortieth Regiment, his commission bearing date of December 14, 1862. At the battle of Peach Tree Creek in Georgia, when Sherman's army had crossed the Chattahoochie River, and was moving for the position around Atlanta, after a sharp battle, as the enemy was moving to the rear, they passed a squad of pioneers detailed to mend roads and bridges. Then young Lieutenant Bryan, who acted without orders other than the instincts of a true soldier, commanded the squad of choppers and diggers to drop their spades and axes and take to their guns. As the enemy moved to the rear so did that line of skirmishers, firing as they moved. The enemy thinking there was a continuous skirmish line coming on one or more lines of battle, kept moving on, looking for the flank they had long ago passed, until they reached the open meadow. The flanking movement was a failure, the attack on the front was a failure, the enemy had lost the battle and were gone, and for that failure no man on our side is entitled to more credit than Lieutenant Bryan. He was discharged at Nashville, November 20, 1864, when he returned to his home in Tippecanoe County, and the following six months he was engaged in the grocery business at La Fayette. Mr. Bryan has been married three times, his first marriage taking place December 5, 1865, with Miss Mary E. Bennett, a native of Tippecanoe County, and a daughter of Harrison Bennett, who is now a resident of Fairfield Township, this county. For his second wife he married Harriet J. Bennett, a sister of his first wife. The maiden name of his present wife was Alma S. Birch. Her parents, S. E. and Lizzie (Alexander) Birch, came to Tippecanoe County about the time the Bryan family settled here, and both died in this county. Mr. Bryan has three children - Harry L., Ella M. and Carrie B. Mr. Bryan was in the employ of Peck & Abbott, coopers, from 1865 until 1883. He was elected recorder of Tippecanoe County in 1883, and assumed the duties of his office October 31, 1884, and is yet serving to the entire satisfaction of his constituents. Mr. Bryan has always been a Republican, and has been a member of the County Central Committee three times. He is a member of the Odd Fellows order, belonging to Tippecanoe Lodge, No. 55, and Star City Encampment, No. 153, and has also taken the Rebecca degree. He is also a member of Curran Lodge and Uniform Division, Knights of Pythias."

Newspapers.com listed the following obituary for James Bryan dated on December 9, 1915, in The Sedan Times-Star, Sedan, Kansas, and his death on December 4, 1915:

"James Bryan Dead

As he sat in his easy chair at his home in east Sedan about 10 o'clock Saturday morning, James Bryan, an old veteran of the Civil war, suddenly raised his hand and passed away. Sitting conversing with his wife, the companion of his youth, his passing could not have occurred at a more fitting hour. Past his prime, with no organic disease to rack his body - just a gentle passing away of the flesh.

James Bryan has for over twenty years been a resident of this city and his figure was a familiar one on the streets. Recently his erect form has not been quite so alert and he has shown marks of fast increasing weakness and the call that was soon to come was written on the face of the old soldier. It has been said of James Bryan that if he was once a friend he was always a friend, that he was a splendid neighbor and a man who always attended strictly to his own business. He was devoted to his wife and children, and he had offered his life for his country and helped preserve the perpetuity of the union, for that alone he would deserve the highest respect of every citizen.

Funeral services were conducted from the residence Sunday afternoon at 4 o'clock, by Rev. J. I. Smallwood, assisted by J. D. McBrien. Rev. Smallwood made an address that must have brought comfort to the bereaved relatives, the widow and his sons, as well as to the large concourse of friends who had gathered to pay their last respects. The singers were Mrs. A. Y. Buckles, Misses Lansdowne, Rule, Bingaman and Fudge, Messrs. Frank and Robert Harmon and U. G. Fudge. And then, tenderly borne by the comrades he loved, he was carried over the hill, followed by the Old Guard, who performed their last office at the graves. The bearers were Messrs. Dennis Littrell, Drake, Inglefield, Moore and Ellis.

The following sketch of his life was furnished: James M. Bryan was born in Tippecanoe county, Ind., Feb. 13th, 1842 and departed this life Dec. 4th, 1915, age 73 years, 9 months and 21 days. He enlisted at the outbreak of the Civil war

in Co. G, 20th Indiana Vol. Infantry, was wounded and promoted to a first lieutenancy in Co. H. 154th Indiana Vol., in which he served honorably until the close of the war.

He was married in Tippecanoe county, Indiana, October 8, 1863, to Drusilla Klepinger, who survives him. To this union ten children were born, 8 of whom survive, Chas. M., Lewis J., John C. George W., Adam E., Arthur L., Frank L. and Walter E. He leaves besides these two brothers and one sister, Dave Bryan of Lafayette, Will Bryan of Sedan and Mrs. Ad Smith of Sedan."

"A. H. Smith Dead.

Adam H. Smith was born in the State of Ohio, November 6, 1833. In 1860, he was married to Sarah Bryan, a sister of W. H. Bryan, with whom he was living at the time of his death. His wife died October 23, 1918.

Mr. Smith came to Kansas in the year 1869, and settled at Labette City in Labette county; and in 1872, he came to Howard county, and settled on a farm on Grant Creek, where he resided for several years, and about twenty years ago retired from the farm and came to Sedan, where he resided the remainder of his life.

He enlisted in the Army in August, 1862, and served during the remainder of the Civil war, in Company "G" Twelfth Indiana Volunteers. He was honorably

discharged and has a good record as a soldier.

He was a member of the Christian church for many years, and was an unassuming, quiet, peaceable and honest citizen and a Christian gentleman.

His death occurred at the residence of W. H. Bryan, in Sedan, on the 19th day of April, 1920, and the funeral was conducted at the residence of W. H. Bryan, on Sunday, the 11th day of April at 2:30 p. m. by J. D. McBrian, who had known and been an intimate friend of the family for more than 47 years. The funeral services were attended by a large number of friends and the burial was in Greenwood cemetery.

Thus another of the pioneers of this community has gone to his eternal home. "Uncle Ad," as he was familiarly called, had many friends and no enemies. He had no children, but is survived by several nephews and other relatives.

The deceased was 85 years, 5 months and 6 days old at the time of death."

Newspapers.com listed the following obituary for Linos William Norris dated on September 23, 1932, in The Laclede County Republican, Lebanon, Missouri:

"L. W. Norris

L. W. Norris, a resident of Laclede County for twenty-two years, passed away at his home, near Brush Creek, August 28, following a stroke of paralysis on August 25, which affected his right side. The stroke left him in an unconscious condition from which he never rallied. He suffered a paralytic stroke in May, 1928, which affected his left side and since then had been confined to a chair, only being able to walk with the assistance of some one, or take a few steps with the aid of crutch or cane.

Linos William Norris was born in Coshocton County, Ohio, March 22, 1846, the eldest of a family of nine. He, with his parents, moved to Clark County, Illinois, at the age of 5 years, and the greater part of his life was spent there. On July 22, 1866, he was married to Sarah E. Wright, and to them seven children were born, four of whom, two infant sons, and two daughters, Mrs. Ida Cline and Mrs. Carrie Stevens, have preceded their father in death. His wife preceded him in September, 1923. The surviving children are: William F. and Charles E. Norris, of Brush Creek, and Mrs. Emma Claypool, of Chicago, Illinois. He also leaves one sister, Mrs. Sarah Phillips, of Olney, Illinois; a half-brother, Edgar Norris, of Whiting, Indiana, eleven grand-children, and twenty-four great-grand-children.

Mr. Norris bore his affliction with patience and cheerfulness saying the four years of his confinement gave him a greater opportunity to read and study his Bible. He was a member of the Church of God of the Abrahamic faith the greater part of his life.

Funeral services were held at Mount Pleasant church, near Martinsville Illinois, at 3 p. m. August 31, conducted by Rev. F. L. Austin, of Chicago, Illinois. Burial was in the cemetery near the church."

Findagrave.com listed the following obituary for Linos William Norris, no date or newspaper indicated:

"Linos William Norris

Linos William Norris, son of Samuel and Electa Gilbert Norris, was born near Dresden, Coshocton county, Ohio, on March 22, 1846, and passed away at his home near Lebanon, Mo., on Sunday evening, August 28, 1932, aged 86 years, 5 months and 6 days.

When five years of age Mr. Norris came with his parents to Illinois, settling on a

farm five miles northwest of Clark Center, here he grew to young manhood receiving his education from the public schools and the Westfield college. In 1866 he was united in marriage with Miss Sarah E. Wright. To this union seven children were born, Wm. F., Mary Ida, Edward m. Emma L. Chas. E. Carrie E. and Noah L. Noah L. and Edward M. died in infancy. Mrs. Carrie Stephens passed away in 1904 and Mrs. Ida Cline on Feb. 10, 1932. Surviving are Wm. F. and Chas. E., of Lebanon, Mo., and Mrs. Emma Claypool, of Chicago; eleven grandchildren, one granddaughter, Miss Ruth Stephens whom he raised from infancy and who has since resided with him, tenderly caring for him in his old age; 24 great grandchildren; an aged sister, Mrs. Sarah Phillips, of Olney, Ill., and a half-brother, Edgar Norris, of Elnora, Indiana.

Mr. Norris confessed his faith n Jesus and accepted Him as his Savior in early manhood, uniting with the Church of God of the Abrahamic faith, and as a true and faithful follower, devoting all his spare time to the study of God's word.

Most of his life was spent in Clark county, Illinois, until 30 years ago he moved to Independence, Kansas, later moving to Kansas City, and then to Lebanon, Mo., where his aged companion passed away in 1923. He was a kind and faithful father, a charitable neighbor and will be sadly missed for he had many friends and was loved and respected by all who knew him. He was a man of great intellect retaining a brilliant mind through out the four years of paralysis, until on Thursday morning he suffered a second stroke which resulted in his death on Sunday evening following.

The body was brought to the home of his granddaughter, Mrs Henry Huffman. Funeral services were conducted by Elder F. L. Austin, of Chicago, at the Mt. Pleasant church at 3 o'clock Wednesday afternoon. The body was laid to rest in the cemetery nearby to await Christs coming."

J. W. Norris, a middle aged man, who was enroute to Bakersfield with his son, in search of health, was almost instantly killed last evening at 5 o'clock on the state highway, fifteen miles south of Bakersfield, when the machine in which they were riding, collided with another touring car and overturned.

The accident occurred at a point where the highway is undergoing repairs, and is only passable on one side. The machine which struck the Norris car was going south and crashed into the other car with great force, pushing it back off the road where it overturned.

Dr. C. S. Compton hurried to the scene of the accident but found the elder Norris dead upon his arrival. The son was only slightly bruised. The Dixon-Flickinger ambulance, which responded to the call, conveyed the dead body to the parlors in this city, where an inquest will be held today. Norris and his son left Los Angeles yesterday morning, for Bakersfield. They had intended to remain here."

Robert Klaus, Sr.
Vinita, Indian Territory.

Sir:

On the 17th day of September, 1900, you appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of yourself as a citizen by intermarriage of the Cherokee Nation.

It appears from the testimony in this case that you were married in 1873 to one Polly Sanders, a citizen by blood of the Cherokee Nation. It further appears that the said Polly Sanders died in May, 1890; that you are not identified on the Cherokee Census roll of 1896, and that you base your application for enrollment upon the foregoing marriage.

....

It further appears from the testimony that you were married in April, 1899 to one Ella Hill, a white woman. The right of citizenship that you acquired by your marriage to Polly Sanders in 1873 was forfeited by your subsequent marriage in April, 1899, to Ella Hill, a white woman.

When a young man he moved from Virginia to Ohio with his parents. In 1848 he married Miss Rebecca Norris; nine children were born to this union, seven boys and two girls. Mrs. L. M. showman of this place is his daughter, and has given him much of her time and administered much tender and loving care to her long-afflicted father. In 1875 his wife died. He was again married to Mrs. M. A. Daily, to which union four children were born. A boy 13 years old and girl 11 years old are with their mother.

Mr. McClarren had been confined in a private asylum until a few days before his death, when he was brought to this place. Eld. Geo. Henderson conducted the funeral in the Christian church Tuesday, after which interment was made in the Conway Springs cemetery.

Newspapers.com listed the following obituary for Sarah Elizabeth (McClaren) Dusenberry dated on March 24, 1927, in The Times-Tribune, Beaver City, Nebraska:

"Mrs. Sarah Dusenberry\

Sarah Elizabeth McClaren was born at Coshocton, Ohio, May 23, 1851, and departed this life at the home of her daughter, Mrs. G. B. Seibert in Beaver City, Nebr., March 16, 1927, aged 75 years, 9 months and 23 days.

She grew to womanhood in Illinois and was married to Geo. Dusenberry at Streator, Illinois on January 2, 1868. To this union nine children were born, seven sons and two daughters. One daughter, Cassie Luella died in infancy and one son Archibald, passed to the great beyond on January 25, 1921. Her husband passed away on May 15, 1910.

These children, Mrs. G. B. Seibert of Beaver City; William L. of Corvallis, Ore.; John W. and Jesse, of Weiser, Idaho; Chas. B. of Hendley; Clarence R. of Seattle, Wash., and Ralph M. of Beaver City, remain to cherish the memory of mother.

Besides her immediate family she leaves to mourn her going two sisters, Mrs. Lucy Showman of Conway Springs, Kans., and Mrs. Irene Powell, of Evanston, Ill.; eighteen grand children and 7 great grand children.

The young couple spent eight years in their old home community in Illinois. In 1877 they moved to Walnut, Iowa, where another eight years was spent. In April, 1885 she with her husband and little family journeyed by wagon to the plains of western Nebraska, settling on the old homestead, five miles northeast of Beaver City. Here was experienced the hardships of pioneering in a new country, the labor and perseverance of grappling with the many problems and difficulties which must be met in the development of a new commonwealth.

Mrs. Dusenberry united with the Christian church in her girlhood and on moving to Iowa united with the M. E. church, in which faith she died.

Through the years of her strength she was noted for her willingness, capability and efficiency in caring for the sick and needy. In those pioneer days she would at the call of the distressed leave her husband and little ones and minister to neighbors and friends who otherwise would have suffered alone. Thus another one of the early settlers of this county has gone to receive the rewards of labor well done.

Funeral services were held Friday, March 18 at the Brethren church, conducted by Rev. A. E. Whitted, and burial was in the family lot in Mount cemetery."

As set forth above, Findagrave.com listed the joint gravestone of George Dusenberry and Sarah E. Dusenberry in Mount Hope Cemetery, Beaver City, Furnas County, Nebraska, and her death on March 16, 1927.

West Fairview had its equilibrium disturbed last Friday morning by the finding of the dead body, near his home, of Mr. C. E. McClaren, who was a tenant on James Jordon's farm, about six miles northeast of this city. About 10 o'clock last Thursday morning, Mr. McClaren went to his work, trimming hedges, in apparently good health. The family were in the habit of having dinner at 3 o'clock, and as the father failed to put in an appearance, the wife, not knowing where he had gone, made a fruitless search for him around the premises; night came on and still no return, and the wife became very uneasy. Chas. H. Snyder, a neighbor, came over to see Mr. McClaren, and learning the wife's uneasiness, visited the different neighbors; he also went to the river, where Mr. McClaren had recently been cutting timber on the ice, but got no trace. Mr. Snyder returned the next morning, hitched up the team and started for the home of Mr. McClaren's father, a few miles off, the wife supposing that he might have been hastily summoned there without time to notify her. As Mr. Snyder turned the corner of the hedge, he spied a coat, a hat, gloves and a hedge-ax. On further investigation he found the body of the unfortunate man lying on its face in a deep double-furrow, in several inches of water and ice, frozen stiff and stark. Coroner

H. W. Marsh was summoned and inquest held Friday night. At the inquest the fact was developed that the deceased, when about twenty years old, had an epileptic fit, and another a year ago. The physicians advised him, if ever again threatened with one of these fits, to lie down flat on his back. The supposition is that, while trimming the hedge, he realized the approach of a fit, lay down on his back very near the ditch, and in the paroxysm rolled in. Being perfectly helpless, and on his face, he soon drowned. The verdict of the coroner's jury was death from natural causes. By request of the family, no autopsy was made. The deceased was thirty-one years old, a sober, industrious man, and leaves a wife and six children. He came here from Illinois in 1879, living in Grouse creek until August last, when he moved on to Mr. Jordon's place. He was not blessed with a great amount of worldly goods. His sad demise is greatly regretted by all who knew him."

Newspapers.com listed the following obituary for Luther M. Showman dated January 15, 1920, in the Conway Springs Star, Northfield, Kansas:

"Obituary Contributed.

Luther M. Showman was born in Pennsylvania, January 19, 1852, and died at Conway Springs, Kansas, January 12, 1920, lacking only seven days of being 68 years of age. At the age of six years he removed with his parents to Illinois where he grew to manhood, and in Livingston county, on August 13, 1876, he was married to Miss Lucy McClaren. To this union were born three sons, Jesse, who died in young manhood, and Ivan and Harry who reside in Conway Springs. From Illinois the family moved to Winfield, Kansas, in 1886, and in November, 1892, came to Conway Springs. Here he took up his family and social duties and fulfilled them as a loving father and generous citizen. He contributed as the law and public sentiment demanded for public good. In addition he loved to be of help and service to others. Converted when but a young man, he united with the Christian church, and was loyal to the principles of the church, until death called him home. He leaves to mourn his departure, a wife, two sons, and ine grandchildren, one of which was reared in his own home. They will remember for life the loving, generous spirit of their family leader who constantly spent himself for them. The public will miss a genial, optomistic, honest citizen and

true friend.

Mr. Showman is also survived by two brothers and two sisters - Henry Showman and Mrs Lina Defenbaugh of Streater, Ill., Mrs. Gerard of Mendota, Ill., Mrs. Fannie Amsberg of Elsnore, California, and Warren Showman of Rosenberg, Texas.

Mr Showman was an engineman of this division of the Missouri Pacific railroad for about 20 years. The engineers and fireman contributed a beautiful floral offering and there were many other loving contributions of flowers at his funeral service."

The Troxel family owns a half-section farm five and one-half miles southeast of El Reno. Mr. Troxel came to Oklahoma from Iowa in 1902 and has lived here most of the time, except an extended stay in Colorado. His wife returned from Colorado last fall and they have decided to stay on their farm. The place they own is known as the Gerlock farm. The gentleman may be termed a retired farmer as he has rented the place the last four years and has leased it this year, however, he has reserved a small tract for gardening purposes and will spend the springtime months trucking. Mr. Troxel often threatened subscribing for The American and he carried his threat into execution last Saturday much to my delight."

History Of Coschocton County, Its Past And Present, 1740-1881 by N. N. Hill, Jr., and published in 1881, stated as follows with regard to Joseph Norris of Virginia Township:

"Joseph Wright and Joseph McCoy came together into the township December 24, 1806. Mr. McCoy settled upon the southwest quarter of section twenty-five - where he lived until he died. Joseph Wright was his son-in-law, and had one child, Willis, when he came to the county, who is now a resident of Coshocton. Both were from Virginia. Mr. Wright lived with his father-in-law one year, then moved further up the creek to lot 3, where he lived during the remainder of his life. Probably no one in the township was more prominent than he. He died April 1, 1867, at the age of eighty-seven years. . . ."

Joseph (Norris) and James (Norris) had married sisters of Joseph Wright, in Virginia. Daniel (Norris) and William Jr. (Norris) married daughters of Joseph McCoy. These three families, the Wrights, Norrises and McCoy's have intermarried in this township to a considerable extent, so as to render it

impossible to determine the various relationships"

History Of Lee County, Iowa, Volume II, published in 1914, included the following biographical sketch of Alva H. Satterly:

"ALVA H. SATTERLY.

Alva H. Satterly is a retired farmer residing upon his finely improved place of two hundred and forty acres of land in Harrison township. His farm has three sets of improvements and is now operated by his son, Roy A. Satterly. The subject of this review was born July 17, 1845, a son of Sylvester and Eleanor (Norris) Satterly, who are mentioned at length in the sketch of Sylvester Hugh Satterly. He was reared in Harrison township and has always made it his place of residence. He completed a course in the common schools and during the fall of 1869 attended Denmark Academy.

After leaving school Mr. Satterly farmed with his brother upon the home place for some time, and when he started out on his independent business career he decided to follow agriculture. His father was a wagonmaker and he had worked with him at that trade for one year, but found it less congenial than farming. The first land Alva H. Satterly owned was eighty acres, which was a part of his father's estate, and twenty acres of timber land. When the place came into his possession it was unimproved and he has made all of the improvements thereon. He has purchased other land until he now owns two hundred and forty acres, now under a high state of cultivation and provided with all buildings and machinery needed in modern farming. His practical knowledge of agriculture and his industrious application of that knowledge brought him a gratifying return and he is now able to live retired.

Mr. Satterly was married August 23, 1882, to Miss Gertrude J. Knapp, a native of Putnam county, New York, born January 22, 1849. Her parents were Newton and Margaret (Wright) Knapp, who came to Lee county, Iowa, in June, 1860, and located in the northeastern part of Harrison township. Her mother passed away in 1867, but her father survived until December, 1885, when he died at the age of sixty years on a farm he owned in Wayne county, near Allerton, Iowa. Mrs. Satterly is the eldest in a family of eight children. Annie Mary became the wife of Lewis Kelly, of Allerton, and passed away in 1907; Sadie gave her hand in marriage to Frank Seward, who died in June, 1886, leaving four sons and one

daughter. His widow resides at Corydon, Iowa, with her daughter. Emma K. married Henry J. Foster, and both are deceased; Jessie is now Mrs. William Secrest, and resides six miles south of Allerton; Frank Knapp lives near Chillicothe, Missouri; Reuben J is a ranchman of Montana; William is a farmer living in the vicinity of Allerton.

Mr. and Mrs. Satterly became the parents of two children, of whom the younger, a daughter, born November 24, 1889, died in infancy. The son, Roy A., was born July 8, 1883, and on the 22d of February, 1906, married Miss Lizzie Neu, who died September 22, 1912, leaving two children, Frederick and Margaret, who live with their grandparents. Roy A. Satterly is operating his father's homestead.

The subject of this review is a republican in politics and takes a keen interest in all matters of public concern. He is particularly active in school matters and has served as secretary of his school district for the past twenty-six years and also served for five years in the district where he resided previous to removing to his present home. He and his wife are members of the First Baptist church of Farmington and can be counted upon to further all movements inaugurated for the improvement of the community."

This record indicates that Alexander McGreer Johnson was born in November 1844.

Newspapers.com listed the following obituary for Alexander McGreen Johnson dated on Friday, March 23, 1906, in The Belleville Telescope, Belleville, Kansas:

"Heart Disease Is Fatal.

A. M. Johnson, Worthy Citizen of Republic County, Succumbs to Dread Disease.

Alexander McGreen Johnson was born November seventeenth 1844 near Primrose, Lee County, Iowa and died of heart disease at his home a mile west of Belleville, Saturday evening, March seventeenth, 1906. He was raised on a farm in the neighborhood of his birth until the year 1865 when he moved to Jefferson County, Iowa, continuing to work on the farm until from failing health he sought lighter employment, teaching vocal music and selling books, until health was a great measure restored. He was first married at Fairfield Iowa to Miss Cyrena Chandler in October, 1872 and immediately came to Belleville Kansas where he engaged in general merchandising for a period of four and one half years when he sold out and bought the homestead on which he died. As a result of his first marriage two children were born to him, Ira D now deceased and Cora now Mrs. E. G. Reinsch of Stuttgart Arkansas. Mr Johnson's first wife having died in 1876 he was married a second time in October 1881 to Miss Cornelia Saturlee near Primrose Iowa by whom was born to him, a child which died in infancy, followed by its mother in October 1882, leaving him a widower a second time. In June 1886 he was married for the third time to Miss Anna R. Howe who now survives him.

The subject of the above sketch was a member of the M. E church for a number of years and during that time was a faithful and consistent christian. During his residence in Republic county he has been one of the most prominent and prosperous citizens and his death will be felt keenly by all who had learned to reverence him.

The funeral which was conducted by Rev. H. O. Holter at the house Tuesday afternoon, was largely attended by the Masonic and Eastern Star orders both of which he was a member in good standing. Special music was furnished by the Methodist choir. When the remains of this worthy man were interred in the Belleville cemetery his sorrowing friends and relatives were consoled with the thought that he had lived a just life and would receive his heavenly reward accordingly."

History Of Lee County, Iowa, Volume II, published in 1914, listed the following biographical sketch of Sylvester Hugh Satterly:

"SYLVESTER HUGH SATTERLY.

Sylvester Hugh Satterly is a well-to-do farmer and stockman, owning and operating two hundred acres on section 20, Harrison township. He is a native son of the township, his birth occurring upon the homestead located a few miles south of his present farm. He was born September 9, 1856, a son of Sylvester O. and Eleanor (Norris) Satterly. The father was born in Washington county, New York, August 31, 1812, and the mother in Coshocton county, Ohio, October 2, 1819. The maternal grandparents were Joseph and Martha (Wright) Norris, who came to Harrison township, Lee county, in the fall of 1839. The former passed away October 16, 1871, having survived, his wife from March 30, 1870.

Sylvester O. Satterly came to Lee county in 1838 and took up one hundred and sixty acres of land on section 31, Harrison township, later adding forty acres. He followed the trade of wagon-making until his health failed and also devoted considerable time to the operation of his farm, which was situated two miles east of Farmington. His marriage occurred June 25, 1844, and he and his wife became the parents of five children as follows: Alva H., who was born July 17, 1845, and is a retired farmer of Harrison township; Cornelia I., who was born November 27, 1847, and became the wife of Alexander Johnson of Kansas and passed away in that state in October, 1882; Henrietta, who was born in March, 1850, and died when but three years of age; Florence A., who was born May 16, 1854, and is the wife of T. J. Jack, a farmer of Harrison township; and Sylvester Hugh, the subject of this review. The father passed away February 27, 1872, and the mother died April 9, 1896. He was a Baptist in religious faith, while his wife was a Presbyterian.

Sylvester Hugh Satterly was reared in Harrison township and was afforded the advantage of a good education, attending the high school at Farmington. He removed to his present place in 1871 and has resided there continuously since that date. His farm is one of the valuable properties of the neighborhood and he has installed thereon all the usual modern improvements, thus facilitating the work of cultivating the fields. He has made agriculture a lifelong study and his

scientific methods insure him abundant crops.

Mr. Satterly was married in Harrison township on the 25th of March, 1885, to Miss Louisa Carver, who was born at the old Carver home in that township, a daughter of John and Hannah (Sax) Carver. Her father is deceased, but her mother still resides at the old homestead. Mrs. Satterly was reared in that township and attended Denmark Academy in pursuit of an education. She subsequently taught school for some time in this county and was very successful in that profession. By her marriage she became the mother of six children, as follows: William B., who died February 13, 1906, when nearly twenty years of age; Sylvester O., who married Nellie Pool, by whom he has one son, Willard Burton, aged six months, and who resides upon the home farm; and Glenn, Grace, Elsie and Hugh, Jr., all at home. The mother and daughters are members of the Presbyterian church and are active in the work of that organization.

Mr. Satterly is a republican in his political allegiance, as he believes that the policies of that party are calculated to promote the prosperity of the country. He is one of the successful farmers of Lee county and in cultivating his fields he contributes to the development of this county, which is one of the rich agricultural districts of the state. His upright life has commanded the respect of all who know him and his attractive personal qualities have won him many friends, who hold him in affectionate regard."

Philo Flansberg, a former resident of Goldfield, passed away in Porterville, Cal., June 25 from chronic heart trouble. With him when death came were his wife and daughter. Interment was at Porterville.

Mr. Flansberg came to Goldfield about two years ago and because of his age, 74 years, led a retired life. However, he frequently did jury duty in the district court, in fact he was stricken with his first attack of heart trouble while a member of the jury in the case of the Consolidated Mines company vs. D. Mackenzie & Co. He was excused and shortly thereafter went into southern California.

Newspapers.com listed the following biographical sketch of Albert Norris dated on Sunday, February 12, 1928, in the Oakland Tribune, Oakland, California:

"Albert Norris

Alvarado Postmaster Is Old Covered Wagon Pioneer
by Jack Williamson
Tribune Staff Correspondent

Albert Norris, postmaster of Alvarado, is an old timer of the covered wagon vintage. He looks the part so well that one would not be surprised to see him step out of the office and take a sack of mail from a dusty stage and exchange greetings with the Wells Fargo guard.

Like two-thirds of the population of southern California, Norris was born in Iowa. His father seemed to know that he was destined to come to California anyway so he decided to give him an early start. In 1852, when he was only a year old, his father packed the family belongings into a covered wagon and took the Overland Trail. After stopping in Salt Lake City for a few months, the party reached Placerville in 1853.

Gold mining was more popular than Lindbergh in those days and the father spent the next few years washing gravel in that section of the state. Norris could rock a pan with the best of them when he was 10 years old.

Pans Out Living.

After helping his father pan out a living for the family for several years he decided to go into the hills of Idaho in search of the precious metal and to secure a West Point appointment from that territory. He found no gold and barely missed the appointment.

Returning to California the next spring, he prospected during the day and studied at night until he qualified as a teacher in the Placerville school. He held this position for eight years, during which time he mixed education with justice. He served as justice of the peace of his district at the same time and on many occasions he was forced to dismiss classes to dispense justice in the school room, which also served as his court room.

Coming to San Francisco in the early seventies, Norris accepted a clerical position but gave this up to enter business for himself. He established a big market but was forced out of business by the silver depression. Competition forced him to accept money at par for his goods but he had to pay the wholesalers in gold.

From San Francisco he went to Colfax to become principal of the school there. He taught there for 10 years and came to Alvarado in 1898 to take over the principalship of that school. He was forced to give up the position because of ill health after 10 years of service. Later he served three years as a trustee of the Alvarado school and two years as a member of the board of trustees of the Washington Union High school.

Postmaster 12 Years

He has been postmaster of Alvarado for twelve and a half years and has built the office up from fourth class to a third class rating, despite the fact that the Newark

and Niles rural routes invade his territory. He helped to organize the first chamber of commerce in Alvarado and served as its secretary until it was disbanded. He helped to revive the old organization a few years ago and is one of its most active members today.

Norris has been a Mason for 55 years. He has dropped all other lodge affiliations. One of his aims in life is to prove that a red-headed man does not have to be bald-headed."

"Reception For Mrs. Laura B. Hart

Ladies of Maccabees and Eastern Star Members Attend Function.

Mrs. J. P. MacFadyean and Mrs. M. R. Robinson gave a reception last evening in K. of P. hall in honor of Mrs. Laura B. Hart of San Antonio, state commander of the Ladies of the Maccabees. In addition to the members of the local hive of the Ladies of the Maccabees, the members of the Easter Star were also present, Mrs. Hart being past worthy matron of the world for this order.

....

Mrs. Hart delivered an address to the guests, urging them to keep up their lodge work and declaring that all such organizations tended to elevate and make the world better. She referred to the "new woman," and said, while she did not favor the new woman in all that went to make up what the public generally considers "the new woman," she welcomed the new conditions, when women are taking more of a place in the affairs of the world. "Lots of our men of the old school," she said, "declare against 'the new woman' and say she should remain on her pedestal and be worshiped, but I have seen a lot of these very same men put in all their time at this worship while their wives stayed at home and made the living. This old school of gallantry towards the sex is all right, but it should begin at home."

"Obituary

Samuel W. Anderson was born near Muskingum, in Muskingum county, Ohio, Jan. 12, 1825. Departed this life from his home in Attica, Kans., Dec. 10, 1915. Aged 90 years, 10 months and 28 days.

He was left an orphan when very young and bound to John Mossman, who died when he was 14 years of age, when he was again left alone in the world.

He walked from Muskingum county, Ohio to Whitley county Indiana where he made his home with an elder brother. In 1848 he left Indiana and located in Van Buren county Iowa, Sept. 7, 1851. He was united in marriage with Elizabeth Norris at Farmington, Iowa. To this union 5 children were born. 2 boys and 3 girls. Gilbert. the eldest, who died in infancy, Albert, of Ewing, Mo., Mrs. I. B. Simmons, Mrs. S. P. Squire, Mrs. Grant Potter, all of Attica.

He united with the Presbyterian church at Labell, Missouri at the age of 32. He was loyal to the church and liberal in the support of all its interests.

In 1854 he removed to Louis county, Missouri where they remained until March 1884, when they came to Kansas, locating on a farm near Attica. Here his faithful wife passed from this life Nov. 12, 1900, and in Nov. 1906 he and his daughter, Emma, moved to the present home, where he peacefully passed from

this life.

Mr. Anderson was a man of Sterling qualities, genial in character and optimistic in his views; always looking for the silver lining to the cloud. He knew something of pioneer life of Kansas. 'Twas such spirits as he that helped to build up and make the great state of Kansas. He was a kind and loving father, a true friend and neighbor. During the past two and one half years he suffered great affliction, being confined to his home. But through it all he was patient and hopeful. He leaves 4 children, 11 grandchildren and 9 great-grandchildren with a host of friends to mourn his departure.

The funeral services were held at the home at 10 o'clock Monday, Dec 13, conducted by Rev. T. D. Halbert, pastor of the United Brethren church. The respect with which he was held in the community was attested by the large number who attended the service."

Newspapers.com listed the following obituary for Hettie Louisa Rouse Anderson dated on Friday March 27, 1925, in the Lewis County Journal, Monticello, Missouri:

"Mrs. Hettie Rouse Anderson

Mrs. Hettie Louisa Anderson, daughter of James and Huldah Seaman Rouse was born July 22, 1861 and departed this life March 20, 1925. She was married to Albert Anderson Feb. 28, 1884. To this union four children were born; Rouse Anderson, Mrs. Mattie Wallace, and Mrs. Isa Black, with three grandchildren all of Worland, Wyo. One daughter died 27 years ago.

Left to mourn her departure beside the above named are her devoted husband, her aged mother, four brothers and four sisters; Mrs. J. A. Buckley, Wasco Calif.; Mrs. E. H. Long, Kirksville, Mo.; Mrs. Anna Rouse, LaBelle, Mo.; Mrs. W. O. Pool, Wynnewood, Okla.; H. S. Rouse Canton, Mo.; R. M. Rouse, and W. J. Rouse of Kirksville, Mo.; J. E. Rouse, Hays, Kan.;

Because of her sweet sympathetic kindly nature and disposition she has been a great comfort to many in times of sorrow and need and will be sadly missed by scores of friends and relatives.

She joined the Baptist church at an early age, and live a consistent Christian life. Many splendid tributes in flowers, in words of praise were given her by friends and neighbors in the last sad rites of her earthly career.

It is better to give a small bouquet,
To your living friend this very day,
Than a bushel of roses white and red
To lay on his casket when he is dead.

So live and so act that every hour
Should die as dies the natural flower
A self surviving thing of power,
That every work and every deed
Should find within itself the seed
Of future good in future need.

A large crowd was in attendance at the funeral which was held at Deer Ridge Church Sunday morning. Rev. G. E. Mayfield pastor of the LaBelle Baptist church preached the funeral sermon from John XIX 41. Interment was in the Deer Ridge cemetery."

The listing of John Wright in the Elizabeth Wright household indicates that he was a son of William Wright and Elizabeth (Lloyd) Wright and that he was born before about 1791.

No tax lists were taken in 1808 in Virginia.

On August 1, 1808, at Fauquier County, Virginia, John Wright acted as a witness to the consent to the marriage of Nancy Wright, daughter of Elizabeth Wright, and William Kindall or Kendale:

"August 18t 1808 This is to certify, Wm. Kindall hath liberty to take out a License from the office of the court of Fauquier County, to enter into the holy state of mattrimony with my Daughter Nancy Wright: Given under my hand the date above written.

their licenses bearing as follows:

The listing of John Wright as a witness to this marriage consent indicates a family
relationship and since Nancy's father was deceased, the most likely relationship would
be that of a brother.

The marriage record of John Wright and Nancy Graves has not as yet been
found.

The 1809 Personal Property Tax List for Fauquier County, Virginia, listed John
Wright in the Elizabeth Wright household:

The 1810 Census for Fauquier County, Virginia, listed John Wright with the
following household immediately adjacent to that of Elizabeth Wright:

<u>Name of Head of Family</u>	<u>Free White Males</u>	<u>Age</u>	<u>Free White Female</u>	<u>Age</u>	<u>All Other Free Persons</u>	<u>Slaves</u>
John Wright	1	16-26	1	16-26

This record indicates that John Wright and Nancy (Graves) Wright were born between 1784 and 1794 and that they were married before 1810.

The 1810 Personal Property Tax List for Fauquier County, Virginia, listed John Wright with the following household:

The 1811 and later Personal Property Tax Lists for Fauquier County, Virginia, did not list a John Wright who could be identified as 1853 John Wright.

The 1820 Census for Fauquier County, Virginia, listed one John Wright with the following household:

<u>Names of Heads of Families</u>	<u>Free White Males</u>	<u>Age</u>	<u>Free White Females</u>	<u>Age</u>	<u>Foreigners</u>

<u>Female</u>	<u>Age</u>	<u>Colored</u>	<u>Males</u>	<u>Colored</u>	<u>Females</u>	<u>Persons</u>

The oldest female in the household was probably Elizabeth (Lloyd) Wright. If that is correct, then this record in conjunction with the 1810 Census indicates that John Wright and Nancy (Graves) Wright were born between 1784 and 1794.

The birth places of John Wright's children listed in the 1850 Census for Coshocton County, Ohio, and the date of birth of his son Marshall Wright set forth below indicate that John Wright remained in Virginia until at least 1827.

The 1830 Census for Fauquier County, Virginia, listed two John Wrights, one of whom was age 15 to 20 and the other of whom had the following household:

This record in conjunction with the 1810 and 1820 Censuses indicates that John Wright was born between 1784 and 1790 and that Nancy (Graves) Wright was born between 1784 and 1794.

The 1840 Census for Coshocton County, Ohio, listed two John Wrights in Jackson Township, one of whom was 20 to 30 years old and the other of whom had the following household:

<u>Names of Heads of Families</u>	<u>Free White Persons Males</u>	<u>Age</u>	<u>Free White Persons Females</u>	<u>Age</u>

This record in conjunction with the prior census records indicates that John Wright and Nancy (Graves) Wright were born between 1784 and 1790.

The 1850 Census for Coshocton County, Ohio, listed John Wright with the following household on August 10, 1850:

This record indicates that John Wright was born in about 1790 and that Nancy (Graves) Wright was born in about 1788. The second Rebecca Wright in the household may be a child of John Wright's son John Wright who resided in the adjacent household.

In their posting dated October 5, 2005, at the Which Wright Is Right site at MyFamily.com, Mike and Karen Wright provided a photograph of the tombstones of Nancy Wright and John Wright in the Willowbrook Cemetery, also known as Slaughter Cemetery, which stated as follows:

"Nancy

In the 62 yr of her age."

John Wright

These records indicate that John Wright was born in about 1789 and that Nancy (Graves) Wright was born in about 1788.

The will of John Wright was dated on February 4, 1853, probated on February 15, 1853, at Coshocton County, Ohio, W.B. 5/272, and provided as follows:

This record identifies the family of John Wright as follows:

Children: 1) Eleanor (Wright) Johnson,
 2) Delila (Wright) Finnel,
 3) Sarah Ann (Wright) Gordon,

- 4) Rebecca Jane (Wright) McCoy,
- 5) Highland Wright,
- 6) John Wright,
- 7) Lawed Wright,
- 8) Lewis A. Wright, and
- 9) Marshall Wright.

The death record of Rebecca Jane (Wright) McCoy dated on April 11, 1915, in Coshocton County, Ohio, listed her parents as Jno. Wright, born in Virginia, and Nancy Graves, born in Virginia. This record identifies the wife of 1853 John Wright of Coschocton County, Ohio, as Nancy (Graves) Wright.

The Wright DNA Project at <http://www.wright-dna.org/> has three kits descendants of 1752 John Wright of York County which match Y-DNA. One of those kits is for Michael Wright, Kit 36135, a descendant of 1859 John Wright of Coshocton County, Ohio, who was a son of 1853 John Wright of Coshocton County, Ohio. The match of Y-DNA sequence among these descendants confirms that 1853 John Wright of Coshocton County, Ohio, was a son of 1805 William Wright of Fauquier County.

From the evidence set forth above and additional evidence set forth below, the children of John Wright and Nancy (Graves) Wright were the following:

- 1) Highland Wright, born on May 21 or 22, 1811, in Virginia,
- 2) Eleanor (Wright) Johnson, born in about 1813 or 1814 in Virginia,
- 3) Sarah Ann (Wright) Gordon, born on June 4, 1815, or in about 1816 in Virginia,
- 4) John Wright, born on January 20, 1817, in Virginia,
- 5) Josiah Wright, born probably before 1819,
- 6) Lawed or Lloyd Wright, born in about 1816 or on May 20, 1817, or in about 1819 or 1820 or 1822 in Virginia,
- 7) Delilah (Wright) Finnell, born in September 1823 in Virginia,
- 8) William Wright, born in about 1824 or 1825 or 1826 in Virginia,
- 9) Marshall Wright, born on July 27, 1827, in Virginia,
- 10) Rebecca Jane (Wright) McCoy, born in April 1832 or on April 2, 1833, near Six Mile Dam, Coshocton County, Ohio, and
- 11) Lewis A. Wright.

On January 1, 1842, at Coshocton County, Ohio, D.B. 16/225, Highland Wright purchased from Joseph and Jane Wright 158 acres of land in Coshocton County:

In his email dated April 25, 2004, Don Cathey enclosed an excerpt from an unidentified printed source which stated as follows with regard to the Wright School and Fernando C. Wright:

"Wright School

Levan Cocksey, 13 November 1843, conveyed to Directors Highland Wright and Jacob Ramer of District #2, Virginia Township, part of lot 1, 2d quarter, Township 4, Range 7, beginning at the southwest corner of the lot as a site for a schoolhouse, including the privilege of using the spring. (18-368)

There was undoubtedly a log schoolhouse here much earlier than this deed, and the enumeration of this district was nearing a hundred by 1840.

"Henry Wright Dies Suddenly

Henry Wright, one of our prominent and well known citizens, died at his home in Haddam, Monday morning at about 11:30 o'clock, of heart failure, aged about 75 years.

Mr. Wright came up town as usual for his mail, but must have been feeling badly

as he started home before the mail was distributed at the postoffice. While nearing the T. B. Thompson feed barn C. A. Rhine noticed that he walked rather queer and as he turned into the driveway, Mr. Rhine ran to his assistance. When he reached him he was unable to speak and it was seen then that he was fatally stricken. Mr. Rhine did what he could for the unfortunate man and as soon as possible Dr. Shearburn was called who took Mr. Wright home in his car. Opiates were administered, but the relief was of short duration and the deceased passed away in about an hour after arriving home.

Henry C. Wright was born at Coshocton, Coshocton county, Ohio, Oct. 27, 1843. On May 16, 1864, he was united in marriage to Sarah J. Maston. To this union six children were born, one child, William A., preceeding him to the better land in 1877. He leaves to mourn his loss, his aged wife, one son and four daughters, Aaron N. Wright, of Greenwood, Nebr.; Huldah L. Mick, Gering, Nebr.; Josie Franks, Moorhead, Iowa; Ella Shoup, Wymore, Nebr., and Maggie Lull, of Haddam, Kas. Also twenty-two grandchildren and 11 great grandchildren.

He moved with his wife and two eldest children to Greenwood, Nebr., Sept. 7, 1868, being one of the early settlers of Nebraska. On March 1, 1900, he moved to Haddam, Kansas, where he remained until his death.

"Pioneer of Swan Creek Dead.

August Drescher died at his home near Bladen in Webster county on Sunday April 6th. He was approaching 80 years of age. Mr. Sresher came to saline county in 1860 and settled on land now owned by Joseph Blezek in Swan Creek precinct. He was the first settler on that part of Swan Creek, coming a little ahead of Witt, Wahl and Gutzmer. Of he hardships of pioneer life hesaw his full share. One of many interesting stories told of him is that once the family meal sack became empty at a time he had no team able to make the journey to the nearest mill at Beatrice, so he shouldered a sack of corn and made the journey on foot, his wife going out on the prairie to meet him and help carry the precious meal home. It was in his timber that the religious pioneers held their camp meetings and "Drescher's Grove" became famous far and wide. He sold the old homestead about ten years ago and moved to Bladen where he had a son. He was the father of Mrs. Wm. Bosomworth of Swanton. The cause of his death was paralysis and the funeral took place on Tuesday the 8th."

This record indicates that Alexander Gordon was born in about 1835. No other Alexander Gordon has been found in the 1870 Census for Coshocton County, Ohio. The listing of Sarah Ann Gorden in this record is confusing. The age given for her is inconsistent with the both the 1850 and 1860 Censuses listed above and with the gravestone reported by Mike and Karen Wright. This could be a mistaken listing of Sarah Ann (Wright) Gordon after her death with a mis-remembered date of birth or could be a second marriage of Alexander Gordon to a second Sarah Ann. However, no such marriage record has as yet been found and the 1910 Census indicates that he was married three and not four times. The most probable explanation is that this was an inadvertent listing of Alexander Gordon's deceased wife Sarah Ann (Wright) Gordon

as if she were still living.

The 1870 Census for Coshocton County, Ohio, listed Mary Wright in the Loyd Wright household on June 17, 1870, and her age as 28 and born in Ohio, indicating a date of birth in about 1842.

The marriage record of Alexander Gordon and Mary A. Wright has not as yet been found, but the 1880 Census set forth below indicates that it was probably after about 1873 and before June 12, 1880.

Newspapers.com listed the following obituary for William Wright dated on June 24, 1918, in The Coshocton Tribune, Coshocton, Ohio:

"William Wright, Former Bailiff Dies Here Sun.

William Wright, former bailiff of the Coshocton county common pleas court died at his home in Walnut street, Coshocton, Sunday morning, June 23rd, at 11:30, after a lingering illness from paralysis, of several years' duration.

Mr. Wright was born in Jackson township on April 3rd, 1842, and spent his entire life in Coshocton county. On June 1st, 1861, he was married to Louisa McCoy, of Coshocton, who survives him. To this union three children were born, all of whom died in infancy.

Mr. Wright always took an active interest in all public affairs of this county but spent his early life on his farm in Jackson township, until November, 1892, when he was appointed superintendent of the Coshocton county infirmary, where he and his devoted wife made for themselves an enviable reputation as superintendent and matron respectively. They held this position until March, 1897, when they located in Coshocton city, and have lived at their present location ever since.

In 1906 Mr. Wright was again called into public life by being appointed bailiff of the court of common pleas by Judge S. H. Nicholas and in this position served with credit until failing health forced him to retire from active life.

During his life, Mr. Wright made many friends by his genial and happy disposition which he manifested until death called him to his well earned reward.

Besides his faithful wife, Mr. Wright is survived by his foster son, John Smith, who has been in the Wright home since boyhood. There are six brothers and sisters as follows: Allen and John Wright of this county; Joseph Wright, of Crete, Kansas; Mrs. Nancy Richardson, Mrs. Wesley Wright and Mrs. James Snedeker, all of this county.

Mr. Wright was a member of the Masonic Order of Coshocton and the order will have charge of the burial ceremonies, after the funeral services, in charge of Rev. E. O. Jessup at the Baptist church at 2:30 o'clock Tuesday afternoon, June 25th. Interment will be made in South Lawn cemetery.

The following pall bearers have been selected from the Masonic order: John Heskett, Frank Ashman, Alvin Hardwick, Theodore Wangen, Charles King and J. W. Thompson."

Newspapers.com listed the following obituary of William Rude dated on June 21, 1924, in The Enid Daily Eagle, Enid, Oklahoma:

"Accident In Field Fatal

William Rude Killed Near Hennessey While Operating Binder

Frank Brown, a farmer residing three miles north and one-half mile east of Hennessey during a trip to Enid yesterday related the story of William Rude's sudden death Wednesday while operating a binder. Mr. Rude, a farm hand employed by Mr. Brown, tumbled backwards from the binder seat and was found by shockers with his head resting on the sheaf carrier and his feet entangled in machinery near the seat. Cold water was thrown upon the stricken man in an

effort to revive him, but he died in a few seconds.

According to Mr. Brown, the farm hand, who was 55 years old and had worked for him eight years, complained Tuesday of fatigue, evidently caused by the intense heat. He had been shocking all day and Wednesday morning Mr. Brown said he advised him to rest up. Mr. Rude declared, however, that he was able to work, deciding to ride the binder.

The decedent leaves a family."

This record indicates that Laura (Trimble) (Hogue) Wright was born in about 1874. Although this record listed Lauri as a male, the "M" was inserted after crossing out a mistakenly listed "W" and this seems clearly a mistake by the census taker.

The 1930 Census for Muskogee, Muskogee County, Oklahoma, listed Mollie Wright in the Maud Parker household on April 14, 1930, her relationship as lodger, her age as 48 and born in Illinois, indicating a date of birth in about 1882, her marital status as widow, and her occupation as seamstress in veterans hospital.

In her email dated April 13, 2016, Terry Prall stated the following regarding Marshall Wright:

"Marshall Wright [27 July 1827 Virginia – 28 May 1878 Putnam Co., MO] m¹ 31 Aug 1848 Coshocton Co., OH - Mary Elizabeth McCoy [7 Dec 1821 Ohio – 26 April 1895 Coshocton Co., OH], daughter of Joseph Washington McCoy and Sarah Ogle. Marshall and Elizabeth divorced about 1875. Elizabeth moved back to Ohio to live with daughter Mary. She was buried in Pleasant Hill Cemetery in Coshocton Co. Census records suggest Elizabeth was born around 1824/5; m² c1876 Putnam Co., MO - Caroline F. Eddy [b. c1844 New York], daughter of George and Sophrona [] Eddy. Marshall made his will 18 May 1878 [proved 20 Aug 1878]: He named his wife, Caroline F., grandchildren William M. and Ida E. Burgess, infant son George M. Wright, children: William H., Mary E.&

Foster F. and step-son Henry VanVoost.

Caroline married Marcus Rowland about 1888 probably in California. Rowland had a son Charles E. [b. Aug 1877 Kansas] from a previous marriage.

Children with Mary Elizabeth McCoy:

William Henry Wright: [30 Mar 1850 Coshocton, OH – 17 Oct 1924 Nodaway, MO.] Spouses: Nancy Burgess, Julia A. Bright

Rebecca Jane Wright: [1852 Coshocton, OH – 24 Feb 1874 Putnam, MO. Spouse: William H. Burgess [1848 KY – 1884 Kansas City, Jackson, MO], married 14 Aug 1869 Putnam, MO. Wm. Burgess died in a RR accident.

Mary Elou Wright: [15 Dec 1854 Missouri – 13 Nov 1910 Tuscarawas, Coshocton, OH] m 30 Oct 1875 Putnam Co., MO – William Martin McCoy [7 Apr 1855 Coshocton Co., OH – 4 Jan 1927 Coshocton Co., OH] Mary and William returned to Coshocton Co., OH after their marriage, possibly about the time her parents divorced. Her mother also made the move. Mary may have been married to a Wright before she married William McCoy. She had a son Charles Wright [b. Apr 1875], who was listed as McCoy's stepson in 1880 & 1900. No further information on Charles. The McCoy's had two daughters, Almeda [1877] & Rebecca J. [1878].

Foster Freeman Wright: [7 Apr 1857 Putnam Co., MO – 15 Oct 1937 Putnam Co., MO] m. 14 Feb 1889 Burlington, Des Moines, IA – Sarah E. McCoy [29 Mar 1860 OH – 19 May 1942 Putnam Co., MO]

Child with Caroline Eddy:

George M. Wright: [24 Oct 1877 Putnam Co., MO – 8 Mar 1953 Los Angeles, CA] m. c1904 California – Cora L. _____ [11 Jan 1882 CA – 4 Mar 1976 Sonoma, CA [Both buried Fairhaven Memorial Park, Santa Ana, Orange, CA] They had a son Harold, born c1905. George was in the health food business."

Funeral Services to Be Conducted Thursday, with Three Lodges Taking Part

Councilman William Martin McCoy, aged 71, former soft drink manufacturer, died at his home, 624 Poplar-st. this morning at one o'clock from heart and liver trouble.

Mr. McCoy had been ill for the past two years, but his condition did not become serious until last September. He had been confined to his home since last election day.

Mr. McCoy was twice elected city councilman, first in 1917. In 1925 he was again elected councilman and took office in January 1926. At the time of his death he was beginning the second year of his term.

Owing to his illness, Mr. McCoy was unable to attend several sessions of council.

For more than 15 years Mr. McCoy engaged in manufacturing soft drinks here. He operated his business on South Lawn-av. near his home. After he retired from his own business he was employed in other soft drink shops in this city.

Before entering this business, Mr. McCoy served as conductor on The Wheeling & Lake Erie railroad for 14 years and prior to that time he was engaged in farming in Washington-tp.

William Martin McCoy was born April 7, 1855 in Washington-tp. and was the son of the late Walter and Rebecca Jane McCoy. When a young man, he came to Coshocton to make his home and has been a resident here for the past 42 years.

Mr. McCoy was twice married, first to Mrs. Mary E. Wright, years ago. To this union were born two daughters, Mrs. Almeda Moore, Conesville Route 2, and Mrs. Rebecca J. Vanderbeck, of Pittsburgh, Pa. His first wife had a son, Charles A. Wright, by a former marriage. On November 13, 1910, Mrs. McCoy died.

January 29, 1911 he was united in marriage to Mrs. Lillian Brower, who, with three children, two sisters and three brothers, survive.

For the past several years Mr. McCoy has been an active member of the Junior Order, Eagles and Knights of Malta lodges.

Mr. McCoy was well known thruout the county and possessed a wide circle of friends.

The brothers and sisters surviving are: Mrs. Elizabeth Wright, of Unionville, Mo.; Phoebe Jane McCoy, of Ashland, Oregon; Samuel McCoy, of Newcomerstown; John McCoy, of Wests Lafayette, and Shannon McCoy, of Columbus.

The grandchildren surviving are Mrs. Allen Wheat, of Canton; Oscar Wright, of Canton; Kenneth Moore, of Conesville Route 2, John W. Bressler and Mrs. Mary E. Gettinger, both of Pittsburgh, Pa.

Funeral services will be conducted in the local Methodist Protestant church, Thursday afternoon at two o'clock by Rev. I. M. McVey, M. P. pastor in Newcomerstown, assisted by Rev. J. E. Tripp, this city. The body will be removed to the church from the late home at one o'clock, Thursday afternoon.

All three lodges of which he was a member will take part in the services. The

Eagles will have charge of services at the home on Wednesday evening at seven o'clock. The Knights of Malta will hold services at the grave. Burial will be made in South lawn cemetery."

The greater part of her long and useful life, having been spent in or near the home where she died, one and a half miles west of New Moscow. She was one of the best known women in that part of the county.

Dies Very Suddenly

Mrs. Sophia Barnes McCoy, wife of Mrs. John A. McCoy, died quite suddenly at her home in Coalport, northwest suburb to this city, last Sunday night at 9:30 o'clock, of heart trouble, from which she had suffered at intervals the last few years. She had entertained relatives during the day and appeared to be in good spirits and reasonable health, but soon after supper she complained of a distressing pain in her back and left shoulder. About 9 o'clock the pain increased and a little later a physician was called by phone, but a few moments before the physician arrived, she had expired. Mrs. McCoy was born in Coshocton county, July 11, 1855, and was united in marriage to J. A. McCoy, Feb. 21, 1883, and to them was born six children, namely, Mrs. Nora Wigfield, H. C. McCoy, Mrs. Lottie Taylor, Mrs. Estey Williams, Mrs. Edna Pope, and Miss Lelia at home. Her parents moved out west some years ago, have since died, and two sisters survive. Mrs. McCoy united with Everals U. B. church 32 years ago, but transferred her membership to the U. B. church in Newcomerstown a short time ago. She spent her entire life in this neighborhood and won many friends by her kindly acts and friendly disposition. She was a loving mother, a devoted wife, an obliging neighbor and true friend. The remains will leave the home at 1:30 p. m. to day, Wednesday, and services will be held at the U. B. church, conducted by Revs. M. L. Oliver and A. W. Waterman. Interment will be made in the local cemetery."

"John A. McCoy, 78, Dies Early Sunday In Newcomerstown

John A. McCoy, Coalport, died at the home of his daughter, Mrs. Lottie Taylor, 430 Pearl st., Newcomerstown, at 5:30 a. m. Sunday after one week's illness of influenza. The 78-year-old retired railroad worker was the town's second victim of the epidemic of influenza.

Mr. McCoy was born in Coshocton county Oct. 17, 1862, and at the age of 20 moved to Newcomerstown where he started an outstanding record of 43 years with the Pennsylvania railroad. For 42 years he was track foreman and upon his retirement received honorary awards for his service.

He married Sophia Barnes on Feb. 10, 1883, who died Oct. 1, 1916. On July 4, 1919, he married Nancy Grimes, who died Nov. 8, 1938. Mr. McCoy was a member of the Newcomerstown K. of P. lodge and of the United Brethren church.

He is survived by three daughters, Mrs. Esta Williams, Mrs. Taylor and Mrs. Laura Wigfield, of Newcomerstown; and one son, H. C. McCoy of Elyria; 14 grandchildren and seven great-grandchildren; one brother, S. P. McCoy, Columbus, and two sisters, Mrs. Elizabeth Wright of Unionville, Mo., and Miss Jane McCoy of Oregon. Two daughters preceded him in death.

Brief funeral rites were held at the Taylor home at 1:30 p. m. Wednesday, to be followed by additional services at the U. B. church at 2 p. m. in charge of Rev. H. Harold Davis. Burial will be in the Newcomerstown cemetery."

Newspapers.com listed the following news article regarding Shannon McCoy dated on December 2, 1892, in The Democratic Standard, Coshocton, Ohio, and his arrest for theft:

"Shannon McCoy was caught last Tuesday with a buggy load of booty that had been purloined at different places in town. The loss of a lot of raw furs that a farmer had left in his vehicle near the square on Third street, led to his arrest. McCoy was observed in the vicinity and suspected of the theft. Marshall Barrett arrested him as he was about leaving town. In the buggy was concealed the furs and a number of articles of merchandise including two pairs of boots. One pair had been taken from the front of Baker & McCoy's store and the other abstracted from James Passmore's wagon. Evidently McCoy froze to everything in sight. In the plunder was a pack of fire crackers, a Lady's skirt, bottle of ink, quantity of soap grease and, as the sale bills say, "numerous other articles too tedious to mention," McCoy waived an examination and gave bond in the sum of \$300, for his appearance at the next term of Common Pleas Court. His mother, Mrs. Walt McCoy, signed the bond.

For many months farmers and merchants have been greatly annoyed by the loss of robes, whips, merchandise, produce, &c., &c., taken from vehicles hitched at the court house square. The police have endeavored to catch the sneak thief but their closest watch failed, until McCoy was run down. It is quite likely that he has conducted the system of sneak thieving for a number of months, and the punishment will be commensurate with the crime."

Newspapers.com also listed the following news article regarding Shannon McCoy dated Friday, January 27, 1893, in The Democratic Standard, Coshocton, Ohio, regarding his arrest at his father's funeral :

"At His Father's Grave.

Shannon McCoy Charged With Robbing an Express Car.

While Attending His Father's Funeral Officers Arrest Him - Preliminary Hearing Monday Morning.

Shannon McCoy is in trouble again.

It will be remembered that he was arrested a few weeks since upon the charge of stealing sundry articles of merchandise from farm wagons, hitched near the court house square, and from several of the stores. He was indicted for this crime and is out on bail while awaiting his trial.

He is now charged with a more serious offense. On the night of December 16th., an express car on the Dennison accommodation was broken open between this city and West Lafayette. A tub of butter and a box of walnut kernels were stolen. It is claimed by the railway company's detective that the stolen property was traced to a house in West Lafayette where it had been carried by McCoy.

Last Monday McCoy's father, Walt McCoy, was buried at Pleasant Hill cemetery.

Marshal Barrett and the railway detective visited the place, and at the close of the obsequies arrested the accused. In Esquire Mortley's court, he furnished bond in the sum of \$500 for his appearance at the preliminary hearing on Monday. His mother signed the bond.

It is claimed that the company has a strong case against McCoy. It is known that for some time he has been in the habit of riding between the express cars of the Dennison accommodation and it is thought that his object was robbery.

McCoy is seldom seen without a mail sachel in his hand. It has long been a matter for wonderment on the part of those who knew him to learn what the sachel contained. It is known however that the bag never held anything more formidable than a half pint of the cheapest whiskey."

Coshocton, Ohio, regarding his arrest for adultery and her arrest for abandoning her minor children:

"Sheriff Stops Wretched State Of Immoral Affairs

Prominent Farmer of Southeastern Part Of County, And Woman Place In County Bastile.

Sheriff Browning and Henry Clark brought to Coshocton Saturday evening Shannon McCoy and Mrs. Nettie May Reed, the former indicted for fornication and the latter for adultery. Both were locked up in the county jail to await their trial unless they can furnish bond.

The Zanesville Times-Recorder has the following account of their arrest at Dresden Saturday afternoon:

With the aid of Mayor Ira Wilcox and Marshal C. W. Carter, of Dresden Saturday afternoon, Sheriff Browning of Coshocton, arrested Shannon McCoy, a farmer, and Mrs. Annette Reed of near Dresden, late Saturday afternoon and returned them to Coshocton to await arraignment on serious charges.

Mrs. Reed has a husband and two children living in Coshocton whom it is state she deserted about four years ago when she left her home and went to the McCoy home where she is said to have since lived with Mccoy at the home of his mother as man and wife.

It is understood McCoy was arrested on a charge of adultery and the Reed woman on a charge of abandoning her minor children. When the warrant for their arrest was placed in the hands of Sheriff Brawning he drove to the McCoy home but as the parties were in Dresden at the time he walked to Dresden and sent his team of horses back home When he neared Dresden he telephoned the mayor and asked his assistance in locating the parties. The arrest was made upon the arrival of the sheriff in town."

xiii. 1873 Lloyd Wright Of Coshocton County, Ohio, His Probable Wife () Wright, His Wife Winnie (Cox) Wright, And His Descendants

1873 Lloyd Wright of Coshocton County, Ohio, was a son of 1805 William Wright of Fauquier County and Elizabeth (Lloyd) Wright. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴)

The 1810 Census for Fauquier County, Virginia, listed Elizabeth Wright with 1 male aged 16 to 25 and with William Wright, Edward Wright, and John Wright immediately adjacent to her in the listings. As will be set forth below, Lloyd Wright was born in about 1792, which would make him about 18 in 1810, and in conjunction with the separate listings of Elizabeth (Lloyd) Wright's sons William, Edward, and John, indicates that the male in Elizabeth (Lloyd) Wright's household was probably Lloyd Wright.

The 1811 Personal Property Tax List for Fauquier County, Virginia, listed Loyd Wright in the Elizabeth Wright household:

The similarity of the members of both households and their ages suggests that this was probably a duplicate listing of Lloyd Wright and not two Lloyd Wright households.

These records indicate that Lloyd Wright was born between 1790 and 1800.

These records also indicate that Lloyd Wright was probably married to a first wife who was born between about 1790 and 1800 and they had a daughter who was born between 1825 and 1830. However, no marriage record of Lloyd Wright and _____ (____) Wright has as yet been found and no further record of this possible daughter has as yet been found.

The 1831 Personal Property Tax List for Fauquier County, Virginia, listed Loyd

Wright with the following household on February 9, 1831:

From the evidence set forth above and additional evidence set forth below, the child of Lloyd Wright and his probable first wife ____ (____) Wright was the following:

1) ____ Wright, a daughter, born between about 1825 and 1830 probably in Virginia, and

the children of Lloyd Wright and Winnie (Cox) Wright were the following:

1) Elizabeth (Wright) Tilton, born on March 6, 1834, or in March 1835 in

Ohio,

- 2) Thomas Wright, born in about 1835 or 1836 in Ohio,
- 3) Mary Wright, born about 1838 or 1839 or 1842 in Ohio, and
- 4) William Wright, born on May 9, 1840 or in about 1843 in Ohio.

(l) Probably Wright

Wright was probably a daughter of 1873

Lloyd Wright of Coshocton County, Ohio, and his probable first wife Wright (Wright)

Wright. (1657 Edward¹, 1695 John², 1752 John³, 1805 William⁴, 1873 Lloyd⁵)

The 1830 Census for Fauquier County, Virginia, listed two Lloyd Wrights with the following households:

First Lloyd Wright:

The similarity of the members of both households and their ages suggests that this was probably a duplicate listing of Lloyd Wright and not two Lloyd Wright households.

These records indicate that Lloyd Wright was probably married to a first wife who was born between about 1790 and 1800 and that they had a daughter who was born between 1825 and 1830. However, no further record of this possible daughter has as yet been found.

Several persons have been either mis-identified as children of 1805 William Wright of Fauquier County and Elizabeth (Lloyd) Wright or identified as children without supporting documentation.

(I) Jane (Wright) Smith And Her Husband Lain Smith

In his article "Some Descendants Of Richard Wright, Gentleman, Of Lond, England, And Northumberland, Virginia, 1655" in Tyler's Quarterly Magazine, Volume I, page 127, 1919, Charles Arthur Hoppin listed Jane (Wright) Smith, the wife of Lain Smith, as a child of 1805 William Wright of Fauquier County:

". . . (6) - his son William Wright whose will, proved at Warrenton, April 28, 1806 [original will filed in the 1806 bundle in Fauquier count clerk's office], names wife Elizabeth, son William Wright, Jr., and refers to his other children without naming them; but on page 372 of Fauquier will book No. 8 is the entry of the division of the estate showing, to wit: "£974:18:4½ - the sum to be divided between the fourteen children of the said Wm. Wright which will make each legatees part £69-12-8¾." Lack of space forbids the present citation of evidence upon these fourteen children, some of whom may be recognized in the following: . . . Jane, who married Lain Smith; . . . [These marriage are recorded at Warrenton, Virginia.]

However, the marriage record for Jane Wright and Lain Smith indicates that the

marriage was of Mary or Jane or Mary Jane Wright, the daughter of Hanah or Hannah Right or Wright, and Delany or Dulany or Lain Smith:

"Know All Men by these presents that we Delany Smith and Phillip Mallory are held and firmly bound unto his Excellency Patrick Henry Esq Governor of Virginia to which paiment well and truly to be made to the said Patrick Henry and his successors we bind ourselves our heirs Executors and Administrators jointly and severally firmly by these presents sealed with our seals and dated this 26th day of September 1785

The Condition of the above obligation is such that whereas there is a marriage shortly intended to be solemnized between the above bound Delany Smith & Mary Wright for which a license hath issued Now if there be no lawful cause to obstruct the said intended marriage then the above obligation to be void or else to remain in force

Fauquier County, Sct: This is to certify that I have solemnized a marriage between Lain Smith & Jane Wright

The consent by the mother Hanah Right clearly precludes Mary or Jane or Mary Jane (Wright) Smith from being a child of 1805 William Wright of Fauquier County.

(II) 1850 Elijah Wright Of Logan County, Ohio,
 And His Wife Mary "Polly" (Brannin) Wright

The marriage record of Elijah Wright and Polly

Brannin was dated on January 17, 1794, in Fauquier County, Virginia:

"This is to certify that the solemnization of matrimony was celebrated between Elijah Wright & Polly Brannin January 17th 1794

per me
Ephriam Abell"

In his article "Some Descendants Of Richard Wright, Gentleman, Of Lond, England, And Northumberland, Virginia, 1655" in Tyler's Quarterly Magazine, Volume I, page 127, 1919, Charles Arthur Hoppin named Elijah Wright as a son of 1805 William Wright of Fauquier County:

" . . . (6) - his son William Wright whose will, proved at Warrenton, April 28, 1806 [original will filed in the 1806 bundle in Fauquier count clerk's office], names wife Elizabeth, son William Wright, Jr., and refers to his other children without naming them; but on page 372 of Fauquier will book No. 8 is the entry of the division of the estate showing, to wit: "£974:18:4½ - the sum to be divided between the fourteen children of the said Wm. Wright which will make each legatees part £69-12-8¾." Lack of space forbids the present citation of evidence upon these fourteen children, some of whom may be recognized in the following: Sarah, who had married the administrator of William Wright's estate, John Evans; Jane, who married Lain Smith; Mary, who married Joshua Lemert; David, who married Nancy Martin; Elijah, who married Polly Brannin; Joshua, who married Susan Carroll; Joseph, who married Elizabeth McCoy; Edward, who married Elizabeth Kay. [These marriage are recorded at Warrenton, Virginia.] . . . "

Mr. Hoppin offered no evidence beyond the marriage record that Elijah Wright was a son of 1805 William Wright of Fauquier County and, as set forth above, there is nothing in that marriage record that identifies Elijah Wright with 1805 William Wright of Fauquier County.

In 1932 Mr. Hoppin included a summary of information on 1805 William Wright in his work The Washington Ancestry and Records of The McClain, Johnson, and Forty Other Colonial American Families:

"
This William Wright, Sr.'s will, proved April 28, 1806, names his (second) wife, Elizabeth, son William, Jr., (who married Elizabeth [____] and had eight children in the census of 1810), and refers to his other thirteen without giving their names or stating by which wife they were born; but on page 372 of Fauquier Will Book No. 8 is an entry of the division of his estate to wit: "£974:18:4½ - the sum to be divided between the fourteen children of the said Wm Wright." Some of them may be recognized from the marriage licenses and marriage returns recorded in the county clerk's office at Warrenton, among which are Sarah, licensed May 5, 1796, to marry John Evans, who became administrator of her father's estate; Jane, licensed December 25, 1785, to marry Lain (or Lane) Smith; Mary, licensed February 6, 1798, to marry Joshua Lemert (entered as "Jemert" on the record of the marriage "return"); David, licensed January 28, 1790, to marry Ann Mason; Susanna, licensed January 24, 1806, to marry Wm. McDowell, named in the administrator's account."

Between the 1919 article and the 1932 book, Mr. Hoppin had apparently concluded that

there was insufficient evidence that Elijah Wright was a son of 1805 William Wright of Fauquier County and dropped him from the list of children.

In addition, there is evidence regarding Elijah Wright's date of birth which probably excludes him as a son of 1805 William Wright of Fauquier County.

Genealogy in Logan County, Ohio: Cemeteries: Perry Township: East Liberty Cemetery Inscriptions, by Robert V. Bremer and available from Ancestry.com, listed the gravestone of Mary B. Wright as follows:

"Wright, Mary B., d 13 Jan 1844, ae 69y [sic] (wife of Elijah Wright; same person as Mary Wright?)"

The Mortality Schedule for the 1850 Census for Logan County, Ohio, listed the death of Elijah Wright in February 1850 at the age of 72:

<u>Name of Every Person Who Died during the Year ending 1st June, 1850</u>	<u>Age</u>	<u>Sex</u>	<u>Color</u>	<u>Free or Slave</u>	<u>Married or Widowed</u>
Elijah Wright	72	M			

<u>Place of Birth</u>	<u>Month Person Died</u>	<u>Occupation</u>	<u>Cause of Death</u>	<u>Number of Days Ill</u>
Va	Feby	Farmer	Old age	

The gravestone and the mortality schedule are consistent with the marriage of Elijah Wright and Mary "Polly" Brannin in 1794 in Fauquier County. The mortality record indicates that Elijah Wright was born between the beginning of March 1777 and the end of February 1778.

However, the 1820 and 1830 Censuses for Fauquier County, Virginia, and the 1840 Census for Logan County, Ohio, indicate that Elijah Wright was born before 1775 and between about 1760 and 1770.

Findagrave.com listed the gravestone of Elijah Wright in East Liberty Cemetery, East Liberty, Logan County, Ohio:

"Elijah Wright

Birth	13 Oct 1768 Virginia, USA
Death	28 Feb 1850 (aged 81)

Burial	Logan County, Ohio, USA East Liberty Cemetery East Liberty, Logan County, Ohio, USA
Memorial ID	103618977"

However, no photograph of the gravestone was provided and it is unclear on what the date of birth was based.

Nevertheless, there is evidence that Elijah Wright was the son of George Wright and was born in about 1767.

The 1782 through 1787 Personal Property Tax Lists for Fauquier County, Virginia, listed a George Wright.

In 1788 the Personal Property Tax List for Fauquier County, Virginia, listed George Wright with a tithable Elygah Wright:

<u>Date of</u> <u>Receiving</u> <u>List from</u> <u>Individuals</u>	<u>Persons</u> <u>Names</u> <u>Chargeable</u> <u>with the Tax</u>	<u>Names of</u> <u>Free</u> <u>Tytheables</u>	<u>No. of Free</u> <u>Tytheables</u>	<u>Negroes</u> <u>above 16</u>	<u>Negroes</u> <u>above 12</u> <u>and under 16</u>

This is the normal progression of a son reaching the tithable age of 21 in his father's household. This indicates that Elijah Wright was born in about 1767, rather than 1777/1778 as indicated by the Mortality Schedule above.

The result is that Elijah Wright was born before 1775, between 1760 and 1770, and probably in about 1767. 1805 William Wright of Fauquier County and Elizabeth Lloyd were not married until December 1768. This appears to be adequate evidence that 1850 Elijah Wright of Logan County, Ohio, was not the son of 1805 William Wright of Fauquier County.

(III) David Wright And His Wife Nancy (Martin)
Wright

The marriage record of David Wright and Nancy Martin was dated on January 28, 1790, in Fauquier County, Virginia:

"Know All Men by these presents that we David Wright and Jacob Martin are held and firmly bound to His Excellency Beverly Randolph Esquire Governor of this State in the sum of fifty pounds to which payment well & truly to be made to the said Randolph or to his successors for the use of the Commonwealth we bind our selves our heirs Exors & Admors firmly by these presents Sealed with our seals & dated this 28th day of January 1790

The Condition is that whereas there is a marriage shortly intended between David Wright and Nancy Martin for which a license hath this day issued Now if there be no Lawful cause to obstruct the said intended marriage then this obligation to be void else to remain in force

In his article "Some Descendants Of Richard Wright, Gentleman, Of Lond, England, And Northumberland, Virginia, 1655" in Tyler's Quarterly Magazine, Volume I, page 127, 1919, Charles Arthur Hoppin named Joshua Wright as a son of 1805 William Wright of Fauquier County:

". . . . (6) - his son William Wright whose will, proved at Warrenton, April 28, 1806 [original will filed in the 1806 bundle in Fauquier count clerk's office], names wife Elizabeth, son William Wright, Jr., and refers to his other children without naming them; but on page 372 of Fauquier will book No. 8 is the entry of the division of the estate showing, to wit: "£974:18:4½ - the sum to be divided between the fourteen children of the said Wm. Wright which will make each legatees part £69-12-8¾." Lack of space forbids the present citation of evidence upon these fourteen children, some of whom may be recognized in the following: Sarah, who had married the administrator of William Wright's estate, John Evans; Jane, who

married Lain Smith; Mary, who married Joshua Lemert; David, who married Nancy Martin; Elijah, who married Polly Brannin; Joshua, who married Susan Carroll; Joseph, who married Elizabeth McCoy; Edward, who married Elizabeth Kay. [These marriage are recorded at Warrenton, Virginia.] . . ."

In 1932 Mr. Hoppin included a summary of information on 1805 William Wright in his work The Washington Ancestry and Records of The McClain, Johnson, and Forty Other Colonial American Families:

". . . .

This William Wright, Sr.'s will, proved April 28, 1806, names his (second) wife, Elizabeth, son William, Jr., (who married Elizabeth [____]) and had eight children in the census of 1810), and refers to his other thirteen without giving their names or stating by which wife they were born; but on page 372 of Fauquier Will Book No. 8 is an entry of the division of his estate to wit: "£974:18:4½ - the sum to be divided between the fourteen children of the said Wm Wright." Some of them may be recognized from the marriage licenses and marriage returns recorded in the county clerk's office at Warrenton, among which are Sarah, licensed May 5, 1796, to marry John Evans, who became administrator of her father's estate; Jane, licensed December 25, 1785, to marry Lain (or Lane) Smith; Mary, licensed February 6, 1798, to marry Joshua Lemert (entered as "Jemert" on the record of the marriage "return"); David, licensed January 28, 1790, to marry Ann Mason; Susanna, licensed January 24, 1806, to marry Wm. McDowell, named in the administrator's account."

Mr. Hoppin offered no evidence beyond the marriage record that David Wright was a son of 1805 William Wright of Fauquier County and, as set forth above, there is nothing in that marriage record that identifies David Wright with 1805 William Wright of Fauquier County.

The result is that there is no evidence to support the identification of David Wright as a son of 1805 William Wright of Fauquier County and Elizabeth (Lloyd) Wright and further research will be required to identify his parents.

3. Probably 1735 Edward Wright, His Wives Margaret (____) Wright And Kathrine Or Catharine (____) Wright, And His Descendants

1735 Edward Wright was probably a son of 1695 John Wright and Judith (Platt) Wright. (1657 Edward¹, 1695 John²)

No direct documentary evidence has as yet been found that identifies the 1735 Edward Wright of York County as the son of 1695 John Wright of York County. However, the following circumstantial evidence indicates that such identification is probable.

First, York County, Virginia, Deeds, Orders, Wills Etc., No. 10, 1694-1697 stated that the will of John Wright dated on November 21, 1694, and probated on May 24, 1695, at York County, Virginia, D.&W.B. 10/158, did not name his children, but did indicate that he had more children than his eldest son:

"Will of John Wright of Yorke Parish in Yorke County, being sick and weake of body, dated 21 Nov. 1694.

All my estate both reall and personall unto my loveing wife dureing her widdowhood and after my personall estate to be equally shared between my loveing wife and my children, shee haveing one halfe and they equally the other halfe.

All my land to my eldest sonn. In case of all their deaths to fall to my eldest daughter.

My loveing wife Judeth executrix.

John (X) Wright

. . . ."

Second, as set forth above, the father of 1695 John Wright was 1657 Edward Wright and 1695 John Wright named his eldest son 1752 John Wright after himself and so would have named a second son after his father Edward.

Third, as set forth below, the children of 1735 Edward Wright were born after July 13, 1714, in the 1720's, and until December 30, 1735. This would be a typical time for having children for a man born before 1696.

Fourth, 1735 Edward Wright resided in York County where both 1657 Edward Wright and 1695 John Wright resided.

Fifth, 1752 John Wright and 1735 Edward Wright were listed as acting jointly on a number of documents, such as sureties on bonds, appraisers of estates, and processioners of land.

And sixth, John Wright was a witness to the will of Edward Wright.

The conclusion seems fair that 1735 Edward Wright of York County was probably a son of 1695 John Wright of York County.

The remainder of this section will discuss the documentation that has been found regarding 1735 Edward Wright of York County and his family.

York County, Virginia, Deeds, Orders, Wills, Etc., 1714-1716, by Mary Marshall

Brewer, stated that on February 21, 1714, at York County, Virginia, O.&W.B. 14/391, Edward Wright was listed as a juror in the case of Sclater v. Hayward. This record indicates that Edward Wright was over the legal age of 21 on February 21, 1714, and therefore, born before February 21, 1693.

(Pg 426)"

The only Edward Wright in York County in 1719 and old enough to be married was 1735 Edward Wright of York County. This record indicates that 1735 Edward Wright had married as his first wife Margaret (____) Wright before May 18, 1719.

This record identifies the family of Edward Wright as follows:

Wife: Catherine Wright

- Children:
- 1) Edward Wright, born after July 13, 1714,
 - 2) Elizabeth Wright, born after July 13, 1714,
 - 3) Mary Wright, born after July 13, 1714,
 - 4) ____ Wright, born after July 13, 1714,

York County, Virginia, Wills, Inventories, And Court Orders, 1732-1737, compiled by Mary Marshall Brewer, stated that the inventory of th estate of Edward Wright was

recorded on September 15, 1735, at York County, Virginia, W.&I.B. 18/228, and showed a value of £128, 19 S, and 6 p, including 4 slaves:

"In obedience to an order of court dated 18 Aug 1734 Peter Goodwin, Edward Moss & John Goodwin met at the dwelling house of Edward Wright dec'd and appraised all the goods that appears by this inventory. York County, Virginia, Wills, Inventories, And Court Orders, 1732-1737, by Mary Marshall Brewer, stated that on December 15, 1735, at York County, Virginia, W.&I.B. 18/243, Mary Wright, orphan of Edward Wright, chose John Gibbons as her guardian:

"Mary Wright on e of the orphans of Edward Wright decd chose John Gibbons as her guardian he having ackn his bond with sufficient security for the care of the said orphan's estate."

This record indicates that Mary Wright was under the legal age of 18 to act on December 15, 1735, and therefore, born after December 15, 1717, but over the legal age of 12 to nominate a guardian and therefore, born before December 15, 1721.

Charles Parish, York County, Virginia, History And Registers, by Landon C. Bell, listed the birth of Kathrine Wright, daughter of Edward and Kathrine Wright, on December 30, 1735, in York County Virginia:

"Wright, Kathrine, dau. of Edward by Kathrine, b. Dec. 20, bap. Feb. 1, 1735."

This would be the posthumously born child of Edward Wright who was referenced as in gestation in Edward Wright's will.

Charles Parish, York County, Virginia, History And Registers, by Landon C. Bell, listed the death of Kathrine Wright on May 10, 1736, in York County, Virginia:

"Wright, Kathrine, d. May 10, 1736."

York County, Virginia, Wills, Inventories, And Court Orders, 1732-1737, by Mary Marshall Brewer, stated that on February 21, 1736/37, at York County, Virginia, W.&I.B. 18/344, an accounting of the estate of Edward Wright dated on September 17, 1736, was filed:

York County, Virginia, Wills, Inventories, And Court Orders, 1740-1743, by Mary Marshall Brewer, stated that on May 18, 1741, at York County, Virginia, W.&I.B. 19/12, Barbara and Sarah Wright, orphans of Edward Wright, nominated John Tenham as their guardian:

"Court held 18 May 1741. Present: Thos Nelson, Fras Hayward, Wm Nelson Junr, Saml Reade & John Ballard, gent.

....
Barbara & Sarah Wright, orphans of Edward Wright decd this day in court and by the consent thereof made choice of John Tentham for their guardian he is appointed their guardian."

This record indicates that Barbara and Sarah Wright were under the legal age of 18 to act and therefore, born after May 18, 1723, and were over the legal age of 12 to nominate their guardian and therefore, born before May 18, 1729.

York County, Virginia, Wills, Inventories, And Court Orders, 1740-1743, by Mary Marshall Brewer, also stated that on May 18, 1741, at York County, Virginia, W.&I.B. 19/12, the court ordered a division of the land of Edward Wright into three shares for his orphans Mary (Wright) Tenham, Barbara Wright, and Sarah Wright:

"Upon the petition of John Tenham it is ordered that the sheriff in company with the surveyor together with an able jury do go upon th eland of Edward Wright decd and divided the same into three equal parts and assign 1/3 part to the said John Tenham and Mary his wife one of the orphans of said decd and 1/3 part to Barbara Wright and the remainder to Sarah Wright the other orphans of the said decd for their shares thereof"

York County, Virginia, Wills, Inventories, And Court Orders, 1740-1743, by Mary Marshall Brewer, also stated that on May 18, 1741, at York County, Virginia, W.&I.B. 19/16, John Tenham, Lawrence Wright, and John Harvey filed their surety bond on behalf of John Tenham to secure his delivery to Barbara Wright and Sarah Wright of their shares of the estate of Edward Wright:

"18 May 1741. John Tenham, Lawrence Wright & John Harvey are firmly bound

unto the justices of York Co for 200 pd the condition of the obligation is such that if the afsd John Tenham shall well & truly pay unto Barbara and Sarah Wright orphans of Edward Wright all such estate due to the said Orphans when required that the obligation to be void Ackn 18 May 1741. Attest: Matt Hubard clerk."

York County, Virginia, Wills, Inventories, And Court Orders, 1740-1743, by Mary Marshall Brewer, also stated that on May 29, 1741, at York County, Virginia, W.&I.B. 19/36, the division of the estate of Edward Wright was filed:

"29 May 1741. In obedience to an order of court dated 18 May 1741 John Goodwin has caused partition to be made and equally divided and have assigned as followeth, viz, the middle part to Mary w/o John Tenham, the upper part to Barbara Wright, the lower part to Sarah Wright. The division of the land of Edward Wright decd was ordered to be recorded 15 Jun 1741. Attest: Matt Hubard clerk."

Wright Of York County, Virginia, 1625-1850, by Thelma Ironmonger Hansford, listed Edward Wright as a son of 1695 John Wright of York County. Ms. Hansford also stated that Edward Wright was born in 1685, but gave no source for that date of birth. Ms. Hanford also listed the documents set forth above.

York County, Virginia Marriage References and Family Relationships, 1636-1800, by F. Edward Wright, also identified the family of Edward Wright based on the above records:

"Wright, Edward (d. 1735) m. Catharine (N) (d. 1736). Edward was father of Kathrine (b. 1735, d. 1736), Edward, Elizabeth, Mary (minor in 1735, m. John Tenham), Barbara and Sarah. {YCWICO 1732-1737: 129; YCWICO 1740-1743: 5, 6}"

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that Edward Wright was a son of John Wright and Judith (____) Wright, married Katherine ____, and died in 1735 and that Edward Wright and Katherine (____) Wright had the following children:

- 1) Edward Wright,
- 2) Mary (Wright) Tenham,
- 3) Barbara Wright,
- 4) Sarah Wright, and
- 5) Katherine Wright.

From the evidence set forth above and additional evidence set forth below, the

children of 1735 Edward Wright of York County and Katherine (____) Wright were the following:

- 1) Edward Wright, possibly 1779 Edward Wright of York County, born after July 13, 1714, and before Jul 13, 1735,
- 2) Elizabeth Wright, born after July 13, 1717, and before Jul 13, 1735,
- 3) Mary (Wright) Tenham, after December 15, 1717, and before December 15, 1723,
- 3) Barbara Wright, born after May 18, 1723, and before May 18, 1729,
- 4) Sarah Wright, born after May 18, 1723, and before May 18, 1729, and
- 5) Katherine Wright, born on December 30, 1735, in York County, Virginia.

- a. Edward Wright, Possibly 1779 Edward Wright Of York County Or Possibly 1781 Edward Wright Of Surry County

Edward Wright was a son of 1735 Edward Wright and Katherine (____) Wright. (1657 Edward¹, 1695 John², 1735 Edward³)

The will of Edward Wright dated on July 13, 1735, and probated on August 18, 1735, listed Edward Wright as one of his minor children:

". . . . I Edward Wright of the County of York & Va do make ordain and appoint this to be my last will & Testamt. . . .

Impris. I give and bequeath unto my loving son Edward Wright five pounds to be disposed off at the Discretion of my Exr. hereafter named for his Schooling & Education

. . . .

Item I likewise Will and desire yt. all my whole Estate be Equally divided among my Loving Wife and five Children in Equal parts alike, and if it should happen that my Loving wife should prove with Child that it may have (be it male or Female) an Equal share with the Rest.

. . . .

Item I ordain and apppoint my Loving wife Catharine Wright my true & lawfull Exer of this my last Will and Testament in Witness whereof I have hereunto set my hand and Seal this XIII day of July MDCCXXXV

Edward Wright

. . . ."

This record indicates that Edward Wright was under the legal age of 21 on July 14, 1735, and therefore, born after July 14, 1714.

Wright Of York County, Virginia, 1625-1850, by Thelma Ironmonger Hansford,

listed 1779 Edward Wright of York County as the son of 1735 Edward Wright of York County. However, as set forth above, 1752 John Wright of York County also had a son Edward Wright and it is unclear how Ms. Hansford determined that 1779 Edward Wright was the son of 1735 Edward Wright rather than the son of 1752 John Wright.

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that Edward Wright was a son of 1735 Edward Wright and Katherine (____) Wright and died in 1758.

As set forth above in connection with 1752 John Wright of York County, there were two Edward Wrights in York County at the same time. The first was Edward, the son of 1752 John Wright, and the second was Edward, the son of 1735 Edward Wright of York County. And insufficient evidence has been found to identify 1779 Edward Wright as either the son of 1752 John Wright or the son of 1735 Edward and further research will be required to determine that identification.

The reader is referred to Section XXIII.A.1.b. above for the documentation found regarding 1779 Edward Wright of York County.

A possible identification of Edward Wright, the son of 1735 Edward Wright of York County, was provided by Dr. Lucius Wright in his Rootsweb posting dated January 10, 2004, in the Wright surname board in which he listed information regarding 1781 Edward Wright of Surry County, Virginia:

"In the process of tracing the origins of 1832 (year of death) JOHN WRIGHT of Clarke Co., Ga., (place of death) I accumulated information on 1781 Edward Wright of Surry County, Virginia, which is shown below. Although this family does not show an obvious relationship to the man I am tracing, I am posting this information for the benefit of those others who are trying to trace Wright ancestors in colonial Virginia.[1]

1. EDWARD¹ WRIGHT was born about 1725 and died before June 26, 1781 in Surry County, Virginia. He married REBECCA before 1756.

The origins of Edward¹ Wright are not known. The only will for someone named Wright prior to Edward is that for Thomas Wright, who died in 1714.[2] There are no land patents prior to 1750 for anyone named Wright in Surry County, Virginia. To me the lack of records indicates that he came from elsewhere.

Edward Wright married Rebecca, who is named in his will, and also in the Register of Albemarle Parish, Surry Co., Va. Extracts of these records show the following baptisms for Edward and Rebecca Wright:[3]

1. John Wright, November 4, 1756, with godparents Simon Stacey, William Ellis

and Katherine Stacey.

2. Edward Wright, June 2, 1764 with godparents, Arthur Richardson, Simon Stacey, jr., and Mary Stacey.

3. James Wright, April 8, 1767, with godparents Petway Johnson, William Warburton, and Elizabeth Morris.

4. Elizabeth Wright, February 2, 1769 with godparents Archer Richardson, Elizabeth Ellis, and Martha Stacey.

The frequency with which persons named Stacey served as godparents suggests that Rebecca's maiden name may have been Stacey, as does the fact that Edward and Rebecca Wright served as godparents to Stacey children.

The will of Edward¹ Wright was written in Surry Co., Va., April 23, 1781, and proved June 26, 1781. In this will he named his sons John and William as executors, and left bequests to sons Willis, Isham and Edward Wright and daughter Elizabeth and to his minor children Rebecca and James, who along with his wife Rebecca were left the farm.[4]

From the will we can see that only four of Edward and Rebecca Wright's eight surviving children were recorded in the Albemarle Parish records. The marriage records of Surry, Sussex, and Southampton Counties, Va., are extant.

From these records, the following data seem relevant. However, there are a number of other marriage bonds involving people named Wright that cannot be directly related to the children of Edward¹ Wright.

...."

The birth of this Edward Wright in about 1725 would fit the range for the son of 1735 Edward Wright of between July 13, 1714, and before Jul 13, 1735. This would also be consistent with 1735 Edward Wright's second marriage sometime after 1719 and his residence from 1720 through 1735 in York County and with the absence of York County records after 1735 which can be clearly associated with his son Edward Wright. And finally, the naming of children Edward, John, William, and Elizabeth would be consistent with the names of other family members of 1735 Edward Wright of York County.

Further research will be required to confirm or deny this identification, but the documentation so far found for 1781 Edward Wright is set forth below.

No deed has as yet been found listing Edward Wright as a grantee of land in Surry County, Virginia.

Register of Albemarle Parish, Surry and Sussex Counties 1739-1778, transcribed and edited by Gertrude R. B. Richards, listed the following entries for

Births, Deaths and Sponsors 1717-1778 for Albemarle Parish Register of Surry and Sussex Counties, Virginia, by John B. Boddie, listed the following for Edward and Rebecca Wright:

"Wright

Edward, 6/2/64, Arthur Richardson, Simon Stacey Jr, Mary Stacey
James, 4/8/67, Petway Johnson, Wm. Warburton, Eliz. Morris"

The will of 1781 Edward Wright was dated on April 23, 1781, probated on June 26, 1781, at Surry County, Virginia, W.B. 11/184, and provided as follows:

"In the Name of God, Amen. I Edward Wright of the County of Surry being weak in Body but of a sound Memory do make & ordain this my last Will and Testament in manner & form as follows.

First I lend the use of the Plantation whereon I now live to my Wife Rebecca during her natural life or widowhood and after her death or widowhood I give the Land and Plantation to my Son Willis, to him, his Heirs and Assigns for ever.

I give unto my Wife Rebecca one side Saddle and Bridle. I also give to my said Wife my grey Mare after she is folded, which Foal I give to my son William.

This record identifies the family of 1781 Edward Wright as follows:

Wife: Rebecca Wright

- Children:
- 1) Willis Wright,
 - 2) William Wright, born before April 23, 1760,
 - 3) John Wright, born before April 23, 1760,
 - 4) Elizabeth Wright, born after April 23, 1763,
 - 5) Rebecca Wright, born after April 23, 1763,
 - 6) Isham Wright, born after April 23, 1760,
 - 7) Edward Wright, born after April 23, 1760, and
 - 8) James Wright, born after April 23, 1760.

In his Rootsweb posting dated January 10, 2004, in the Wright surname board Dr. Lucius Wright listed the following additional information regarding the children of 1781 Edward Wright of Surry County and his wife Rebecca (____) Wright:

"Children of Edward Wright and Rebecca are:

- i. JOHN² WRIGHT, bp. November 4, 1756, Surry Co., Va.; d. 1818 Surry Co., Va.; m. (1) LAVINIA TUDOR March 20, 1788, Sussex Co., Va., daughter of HENRY TUDOR; m. (2) MIRANDA SMITH December 26, 1797, Surry Co., Va.,

daughter of NICHOLAS SMITH.[5]

The marriage records show John Wright to Luvenia Tudor, daughter of Henry Tudor, March 20, 1788, in Sussex Co., Virginia. [6] Luvenia Tudor or Lavina Tudor, was born March 14, 1767, in Albemarle Parish, Surry Co., Virginia, daughter of Henry Tudor, Jr., and Sarah _____.[7] Henry Tudor, Jr., is surely the son of Henry Tudor and Elizabeth, whose children Matthew, Bridget and Hannah are also recorded in the register. John Wright married Maranda (or Marenda) Smith on Dec. 26, 1797, in Surry Co., Virginia.[8] The marriage was performed by Rev. Nathaniel Berriman, Methodist minister. She was the daughter of Nicholas Smith, who died in Surry County about 1785.[9] Review of the marriage records for Surry, Sussex, and Southampton Counties shows a number of marriages involving the Wright family performed by Methodist ministers, including the brothers and sisters of John and Isham Wright as named in Edward Wright's will. Sally Wright married John Bracey, February 15, 1808, with the consent of John Wright; surety, Joshua Corbett, witness

The Virginia census for 1810 shows John, John jr., and William Wright in Surry County, Reuben Wright in Sussex County, and Ann, James, Willie and William Wright in Southampton County.

The Library of Virginia will index shows that the inventory of the estate of John Wright, Sr., Surry County, was made in 1816, (Wills, etc. 3, 1815-1821, pp. 170-171.) John Wright, Jr.'s., estate was recorded in 1825, (Wills, etc., 4, 334-339.)

From these data it is reasonable to infer that John Wright had at least three children: 1. JOHN³ WRIGHT, JR., 2. WILLIAM³ WRIGHT, and 3. SARAH³ WRIGHT.

ii. ISHAM² WRIGHT, b. about 1759, Surry Co., Va.; d. before 1806 Surry Co., Va.; m. NANCY ANN CARTER April 12, 1786, Surry Co., Va., daughter of MOURNING (HUNNICUT?) CARTER. She married (2) MICHAJAH LITTLE November 10, 1806, Surry Co., Va.

Marriages of Surry County include Isham Wright and Nancy Carter, daughter of Mourning Carter (mother) on April 12, 1786.[10] Isham Wright also served as security on the marriage bond of Samuel Little who married Charity Carter December 11, 1786 Surry Co., Va., with the consent of her mother, Mourning Carter.[11] Isham probably died in 1806, as his widow remarried that year.[12] The Library of Virginia will index shows that the inventory of the estate of Isham Wright was made in 1806 in Surry County, (Wills, etc., 2, 1804-1815, pp. 89-90). A number of people have linked Isham² Wright with the Isham Wright whose family were pioneers in Morgan Co., Alabama, but I have found no evidence to prove this contention.

iii. WILLIAM² WRIGHT, b. about 1761, Surry Co., Va.; m. ANN DREW March 2,

1786, Southampton Co., Va., daughter of NANCY (____) DREW.

The Virginia census for 1810 shows Ann, James, Willie and William Wright in Southampton County. I think the "Willie" is probably Willis.

The marriage bond says James Wright, but William Wright is listed in three places and in minister's return. Ann Drew was daughter of Mrs. Nancy Drew. Consent of Col. William Blunt is given. Sur. John Wright, wit. Francis Young, Jr., William Blunt.[13]

iv. EDWARD² WRIGHT, bp. June 2, 1764, Surry Co., Va.

v. WILLIS² WRIGHT, b. about 1766, Surry Co., Va.; m. MARY LONG July 23, 1806 Sussex Co., Va.[14]

vi. JAMES² WRIGHT, bp. April 8, 1767, Surry Co., Va.; m. (1) LUCY CARROLL March 18, 1784, Southampton Co., Va.[15]; m. (2) KATIE GLOVER July 31, 1787, Sussex Co., Va.[16]

vii. ELIZABETH² WRIGHT, bp. February 2, 1769, Surry Co., Va.; m. MICHAJAH ELLIS December 16, 1786, Sussex Co., Va. [17]

viii. REBECCA² WRIGHT, b. about 1770, Surry Co., Va.; m. SALTER WILLIAM JONES December 28, 1789, Surry Co., Va.

[21] I am not certain if this is Elizabeth² Wright or the widow of Edward² Wright, who is not accounted for. However, the presence of John Wright as surety indicates a relationship to the family of Edward¹ Wright. The fact that Samuel Kello witnessed both of these bonds is interesting. The marriage listed for Elizabeth² Wright was based upon the fact it was in Surry Co., Va., whereas these marriages are in Southampton Co., Va. Interestingly, the marriage of Rebecca Wright and Salter William Jones was also witnessed by Samuel Kello. Research of the relationship of Samuel Kello to the Wright family might be rewarding."

b. Elizabeth Wright

Elizabeth Wright was a daughter of 1735 Edward Wright and Katherine (____) Wright. (1657 Edward¹, 1695 John², 1735 Edward³)

The will of Edward Wright dated on July 13, 1735, and probated on August 18, 1735, listed Elizabeth Wright as one of his minor children:

". . . . I Edward Wright of the County of York & Va do make ordain and appoint this to be my last will & Testamt. . . .

Item I give and bequeath unto my loving Daughter Elizabeth Wright four pounds to be Disposed of as aforesaid for and toward her Schooling & Education

Item I likewise Will and desire yt. all my whole Estate be Equally divided among

my Loving Wife and five Children in Equal parts alike, and if it should happen that my Loving wife should prove with Child that it may have (be it male or Female) an Equal share with the Rest.

....

Item I ordain and appoint my Loving wife Catharine Wright my true & lawfull Exer of this my last Will and Testament in Witness whereof I have hereunto set my hand and Seal this XIII day of July MDCCXXXV

Edward Wright

...."

This record indicates that Elizabeth Wright was under the legal age of 18 on July 14, 1735, and therefore, born after July 14, 1717.

c. Mary (Wright) Tenham And Her Husband John Tenham

Mary (Wright) Tenham was a daughter of 1735 Edward Wright and Katherine (____) Wright. (1657 Edward¹, 1695 John², 1735 Edward³)

5. Possibly But Probably Not 1736 William Wright Of York County, His Wife Jean () Wright, And His Descendants

1736 William Wright of York County was possibly but probably not a son of 1695 John Wright and Judith (Platt) Wright. (1657 Edward¹, 1695 John²)

No direct documentary evidence has as yet been found which identifies William Wright as a son of 1695 John Wright. Nevertheless, numerous family trees posted on Ancestry.com and FamilySearch.org list 1736 William Wright of York County as a son of 1695 John Wright of York County and the circumstantial evidence for this identification is as follows.

First, as set forth above, the will of John Wright dated on November 21, 1694, and probated on May 24, 1695, at York County, Virginia, D.&W.B. 10/158, did not name his children, but did indicate that he had more children than his eldest son:

" I John Wright of Yorke pish in Yorke County my psonall Estate be equally shared between my loveing wife and my Children, she haveing one halfe, chen(?) they equally ye. other halfe, I give all my Land to my eldest Sones & heires of their bodys lawfully begotten In case of all their Deaths to fall to my eldest Daughter and to ye. heires of their body lawfully begotten,

John Wright his marke & Seal

...."

Second, as set forth below, 1735 William Wright had three children at his death in 1735 who were all born after December 24, 1714, and before December 24, 1735, which would be an approximately appropriate time for having children for a man who was born before 1696.

Third, 1735 William Wright named his oldest son John, which would be appropriate if his father was 1695 John Wright.

And fourth, 1735 William Wright died in York County where both 1657 Edward Wright and 1695 John Wright resided.

However, there are several pieces of contrary circumstantial evidence.

First, as set forth below, the will of William Wright stated that his land was located in King William County rather than York County, indicating a residence in that county rather than in York County, and an inventory and appraisal confirmed the location of part of his estate in King William County, unlike any other descendant of 1695 John Wright of York County.

Second, William's name was written in his will as Right rather than Wright.

And third, unlike with 1752 John Wright and 1735 Edward Wright, there are no as yet discovered examples of 1735 William Wright acting jointly with either 1752 John Wright or 1735 Edward Wright as sureties, appraisers, or processioners and their business affairs seem to be unconnected.

The result is that there is only weak and contradictory evidence for the identification of 1736 William Wright as the son of 1695 John Wright and this identification seems improbable.

The remainder of this section discusses the documentation that has been found regarding 1736 William Wright and his descendants.

The will of William Wright was dated on December 24, 1735, probated on February 16, 1735/36, at York County, Virginia, W.&I.B. 18/269, and provided as follows:

"In the name of God Amen I William Wright of the County of York and Yorkhampton parish being Sick and weak in Body but in perfect Sence & memory thanks be God for the same do make and appoint this my last Will & Testament in manner & form as followeth Viz. Imprimis my will & desire is that my loving wife Jean Right should peaceably & Quietly hold and keep all my whole Estate during her widowhood but if she intermarrieth then to have no more the Law gives her. Item I give & bequeath unto my loving son John Right one certain Tract of Land lying & being in King William County adjoining upon the Lands of Gibson to him and the heirs of his body Lawfully begotten when he shall attain to the age of twenty one years and in case of no such Issue then I give the aforesaid Tract of Land unto my loving son William Right and the Heirs of his body Lawfully begotten when he shall attain to the aforesaid Age of twenty one years and in case of his failure of Issue Lawfully begotten then I give the said Land unto my Loving Son Thomas Right and the Heirs of his body Lawfully begotten when he shall attain to the aforesaid terms of years Item my will and desire is that the remainder of my Estate both Negros Stock &ca(?) be equally

"Order'd that the sherif give notice to the securities of Wm Wright's estate to return an inventory thereof to the next court. (Pg 334)"

York County, Virginia, Wills, Inventories, And Court Orders, 1732-1737, by Mary Marshall Brewer, stated that the return of the inventory of the estate of William Wright was again continued on January 31, 1736/37, and on March 21, 1736/37.

King William County suffered a courthouse fire on January 15, 1885, and only a

limited number of records and fragments of records remain.

King William County, Virginia, Record Book Abstracts 1702-1721, by Ruth & Sam Sparacio, listed no Wrights.

King William County, Virginia, Record Books 1722 & 1785-1786, published by Ruth and Sam Sparacio, listed one William Wright document and that was a deed dated January 24, 1785, from William Wright of New Kent County to William Johnson of King William County for 71 acres of land and therefore, was clearly unrelated to 1736 William Wright of York County.

King William County Virginia Records 1702-1806, Record Books 1-5 including surviving fragments, by Beverly R. Conolly, similarly listed one William Wright document and that was the same deed from William Wright of New Kent County to William Johnson of King William County for 71 acres of land.

Wright Of York County, Virginia, 1625-1850, by Thelma Ironmonger Hansford, listed 1736 William Wright of York County as a son of 1695 John Wright of York County, but provided no explanation for how that identification was made. Ms. Hansford also stated that "Torrence's Index of Wills and Administrations in Va. does not have even one Wright Will or inventory before 1800 in King William County. Whether they stayed in York or left is not known by this writer."

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that William Wright was a son of John Wright and Judith (____) Wright, married Jean _____, and died in 1735 and that Edward Wright and Jean (____) Wright had the following children:

- 1) John Wright,
- 2) William Wright, and
- 3) Thomas Wright.

From the evidence set forth above, the children of 1736 William Wright and Jean (____) Wright were the following:

- 1) John Wright, born after December 24, 1714, and before December 24, 1735,
- 2) William Wright, born after December 24, 1714, and before December 24, 1735, and
- 3) Thomas Wright, born after December 24, 1714, and before December 24,

1735.

a. John Wright

John Wright was a son of 1736 William Wright of York County and Jean (____) Wright. (1657 Edward¹, 1695 John², 1736 William³)

The will of William Wright dated on December 24, 1735, and probated on February 16, 1735/36, at York County, Virginia, W.&I.B. 18/269, and listed John Wright as his minor son:

". . . . I William Wright of the County of York and Yorkhampton parish do make and appoint this my last Will & Testament in manner & form as followeth Item I give & bequeath unto my loving son John Right one certain Tract of Land lying & being in King William County adjoining upon the Lands of Gibson to him and the heirs of his body Lawfully begotten when he shall attain to the age of twenty one years Item my will and desire is that the remainder of my Estate both Negros Stock &ca(?) be equally divided among all my children and do constitute and appoint my Loving wife Jean Right whole & sole Extrix of this my last Will and Testament to which have hereunto Set my hand & Seal this 24th Day of December 1735

This record indicates that John Wright was under legal age of 21 on December 24, 1735, and therefore, born after December 24, 1714.

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that John Wright was a son of 1736 William Wright and Jean (____) Wright.

b. William Wright, Probably 1778 William Wright Of York County, His Wife Elizabeth (____) Wright, And His Descendants

William Wright, probably 1778 William Wright of York County, was a son of 1736 William Wright of York County and Jean (____) Wright. (1657 Edward¹, 1695 John², 1736 William³)

The will of William Wright dated on December 24, 1735, and probated on February 16, 1735/36, at York County, Virginia, W.& I.B. 18/269, listed William Wright as his minor son:

". . . . I William Wright of the County of York and Yorkhampton parish do make and appoint this my last Will & Testament in manner & form as followeth . . . ". . . ."

This record indicates that William Wright was under legal age of 21 on December 24, 1735, and therefore, born after December 24, 1714, and was probably the second son born to 1736 William Wright.

However, there were two William Wrights in York County at this time, both of whom had wives named Elizabeth. As set forth above in Section XXIII.A.1.k, one of the William Wrights was 1805 William Wright of Fauquier County, the son of 1752 John Wright of York County, who was born in 1740. The other William Wright was apparently older and was referred to as in a partnership before June 21, 1762. The result is that this other and older William Wright was probably 1778 William Wright of York County and the son of 1736 William Wright of York County.

In addition, 1805 William Wright of Fauquier County named one of his sons Edward Wright and another son John Wright, which would be consistent with his being a great grandson of 1657 Edward Wright and grandson of 1695 John Wright and son of 1752 John Wright. As set forth below, no record has been found that 1778 William Wright of York County had any sons and the records found indicate that he had three and probably four daughters, none of whom was named Ann.

The remainder of this section discusses the documentation related to 1778 William Wright.

York County, Virginia, Wills, Inventories, And Court Orders, 1760-1783, by Mary Marshall Brewer, stated that the will of Adduston Rogers probated on June 21, 1762, at

York County, Virginia, W.&I.B. 21/106, referred to his "partnership with William Wright":

"106. Will of Adduston Rogers of Charles Parish, York Co. . . . partnership with William Wright"

York County, Virginia, Wills, Inventories, And Court Orders, 1760-1783 also stated that a William Wright was a witness to the will of Elizabeth Irwin dated August 29, 1767, and probated on September 21, 1767, at York County, Virginia, W.&I.B. 21/362.

York County, Virginia, Wills, Inventories, And Court Orders, 1760-1783 also stated that a William Wright was a witness to the will of Margaret Dedman dated on October 31, 1772, at York County Virginia, W.&I.B. 22/146.

Charles Parish, York County, Virginia, History And Registers, by Landon C. Bell, listed the birth of Nancy Wright, daughter of William and Elizabeth Wright, on March 3, 1778:

"Wright, Nancy, dau. of William and Elizabeth, b. March 3, bap. April 17, 1778. ("Ykhmpton")."

As set forth above, there were two William Wrights with wife Elizabeth Wright in York County at about this time, both of whom had a daughter Nancy. Nancy Wright, the daughter of 1805 William Wright of Fauquier County, was born on November 3, 1784, or in about 1785, with the result that this record of the birth of Nancy Wright in 1778 would have been for the daughter of 1778 William Wright of York County and his wife Elizabeth (____) Wright.

On June 15, 1778, at York County, Virginia, J.&O.B. 4/163, the court ordered the Sheriff to administer the estate of William Wright because it was so small:

"William Wright and Samuel Tatem late of this County decd. dying Intestate leaving each of them so small an Estate that no Person will Administer thereon It is Ordered that the Sherif take the said Estates into his hands and dispose thereof according to Law and return Accounts thereof to the Court."

On July 20, 1778, at York County, Virginia, W.&I.B. 22/398, an Inventory and Account of Sales of the estate of William Wright was filed showing gross sales of £143.19.7, including sales to Elizabeth Wright of a cow and calf, 2 beds, 5 chairs, a trunk and chest, and pots, pans, 1 dish, pewter.

York County, Virginia, Wills, Inventories, And Court Orders, 1760-1783, by Mary

Marshall Brewer, also stated that the inventory and sales of the estate of William Wright was filed on July 20, 1778, at W.&I.B. 22/398:

"398. 30 June 1778. An inventory and sales of the estate of William Wright dec'd. Sold by order of York Court. Names of purchasers: Elizabeth Wright, Benjamin Palmer, William Mitchell, Stephen Mitchell, Elizabeth Wright, John Draper, John Draper, P. Whister, Henry Howers. Total sales: £143.19.7. Returned into York Co. Court 20 July 1778 by Lawrence Smith, Deputy Sherif."

On February 18, 1779, at York County, Virginia, J.&O.B. 4/200, the court ordered the transfer of the administration of the estate of William Wright from Deputy Sheriff Lawrence Smith, deceased, to Deputy Sheriff John Gibbons:

"Ordered that John Gibbons Deputy Sherif receive from Damaris Smith Administratrix &c of Lawrence Smith decd late deputy Sherif of this County the Estate of William Wright decd. put into his hands by Order of this Court & dispose thereof according to Law."

On July 19, 1779, at York County, Virginia, J.&O.B. 4/222, the court appointed Thomas Powell to replace William Wright, deceased, as constable of Yorkhampton Parish:

"Thomas Powell is appointed a Constable in Yorkhampton Parish in the room of William Wright decd"

On November 15, 1779, at York County, Virginia, J.&O.B. 4/243, the court ordered the Sheriff to administer the estate of Elizabeth Wright:

"Elizabeth Wright late of this County decd dying Intestate possessed of an Estate which no person will administer It is Ordered that the Sherif take the said Estate into his hands and dispose thereof according to law returning an Inventory and an Account of the Sales of the said Estate to the Court."

On June 19, 1780, at York County, Virginia, J.&O.B. 4/267, the court ordered the discharge of Elizabeth Wright, a poor orphan, from service and that she be bound to another:

"On the Complaint of Elizabeth Wright a poor Orphan against her master Bernard Elliott for miswages(?) and on hearing the Parties It is Ordered that she be discharged from her masters Service and that the Church Wardens bind her to some other Person as the Law directs."

This record indicates that Elizabeth Wright was probably a daughter of William and Elizabeth Wright and was over the legal age of 12 to testify in court and therefore, born before June 19, 1768. This would in turn indicate that William Wright and Elizabeth

(____) Wright were married before 1768.

On May 19, 1783, at York County, Virginia, J.&O.B. 4/326, the court ordered that Judith Wright, orphan of William Wright, be bound out:

"Ordered that the Church Wardens of Yorkhampton Parish bind out Judith Wright Orphan of William Wright as the Law directs."

This record indicates that Judith Wright was under the legal age of 18 for binding out and therefore, was born after May 19, 1765.

On March 17, 1784, at York County, Virginia, J.&O.B. 4/460, the court ordered that Sarah Wright, orphan of William Wright, be bound out:

"Ordered that the Church Wardens of Yorkhampton Parish bind out Sarah Wright Infant Orphan of William Wright decd. according to Law the Estate of the said Orphan being insufficient to maintain her"

This record indicates that Sarah Wright was under the legal age of 18 for binding out and therefore, was born after March 17, 1766.

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that William Wright was a son of 1736 William Wright and Jean (____) Wright.

From the evidence set forth above, the children of 1778 William Wright and Elizabeth (____) Wright were the following:

- 1) Probably Elizabeth Wright, born before June 19, 1768,
- 2) Judith Wright, born after May 19, 1765,
- 3) Sarah Wright, born after March 17, 1766, and
- 4) Nancy Wright, born on March 3, 1778, in York County, Virginia.

i. Probably Elizabeth Wright

Elizabeth Wright was probably a daughter of 1778 William Wright of York County and Elizabeth (____) Wright. (1657 Edward¹, 1695 John², 1736 William³, 1778 William⁴)

On June 19, 1780, at York County, Virginia, J.&O.B. 4/267, the court ordered the discharge of Elizabeth Wright, a poor orphan, from service and that she be bound to another:

"On the Complaint of Elizabeth Wright a poor Orphan against her master Bernard Elliott for miswages(?) and on hearing the Parties It is Ordered that she be discharged from her masters Service and that the Church Wardens bind her

to some other Person as the Law directs."

This record indicates that Elizabeth Wright was probably a daughter of William and Elizabeth Wright and was over the legal age of 12 to testify in court and therefore, born before June 19, 1768.

ii. Judith Wright

Judith Wright was a daughter of 1778 William Wright of York County and Elizabeth (____) Wright. (1657 Edward¹, 1695 John², 1736 William³, 1778 William⁴)

On May 19, 1783, at York County, Virginia, J.&O.B. 4/326, the court ordered that Judith Wright, orphan of William Wright, be bound out:

"Ordered that the Church Wardens of Yorkhampton Parish bind out Judith Wright Orphan of William Wright as the Law directs."

This record indicates that Judith Wright was under the legal age of 18 for binding out and therefore, was born after May 19, 1765.

iii. Sarah Wright

Sarah Wright was a daughter of 1778 William Wright of York County and Elizabeth (____) Wright. (1657 Edward¹, 1695 John², 1736 William³, 1778 William⁴)

On March 17, 1784, at York County, Virginia, J.&O.B. 4/460, the court ordered that Sarah Wright, orphan of William Wright, be bound out:

"Ordered that the Church Wardens of Yorkhampton Parish bind out Sarah Wright Infant Orphan of William Wright decd. according to Law the Estate of the said Orphan being insufficient to maintain her"

This record indicates that Sarah Wright was under the legal age of 18 for binding out and therefore, was born after March 17, 1766.

iv. Nancy Wright

Nancy Wright was a daughter of 1778 William Wright of York County and Elizabeth (____) Wright. (1657 Edward¹, 1695 John², 1736 William³, 1778 William⁴)

Charles Parish, York County, Virginia, History And Registers, by Landon C. Bell, listed the birth of Nancy Wright, daughter of William and Elizabeth Wright, on March 3, 1778:

"Wright, Nancy, dau. of William and Elizabeth, b. March 3, bap. April 17, 1778. ("Ykhmpton")."

As set forth above, there were two William Wrights with wife Elizabeth Wright in York County at about this time, both of whom had a daughter Nancy. Nancy Wright, the daughter of 1805 William Wright of Fauquier County, was born on November 3, 1784, or in about 1785, with the result that this record would have been for the daughter of 1778 William Wright of York County and his wife Elizabeth (____) Wright.

c. Thomas Wright

Thomas Wright was a son of 1736 William Wright of York County and Jean (____) Wright. (1657 Edward¹, 1695 John², 1736 William³)

The will of William Wright dated on December 24, 1735, and probated on February 16, 1735/36, at York County, Virginia, W.& I.B. 18/269, and listed Thomas Wright as his minor son:

". . . . I William Wright of the County of York and Yorkhampton parish do make and appoint this my last Will & Testament in manner & form as followeth Item I give & bequeath unto my loving son John Right one certain Tract of Land lying & being in King William County adjoining upon the Lands of Gibson to him and the heirs of his body Lawfully begotten when he shall attain to the age of twenty one years and in case of no such Issue then I give the aforesaid Tract of Land unto my loving son William Right and the Heirs of his body Lawfully begotten when he shall attain to the aforesaid Age of twenty one years and in case of his failure of Issue Lawfully begotten then I give the said Land unto my Loving Son Thomas Right and the Heirs of his body Lawfully begotten when he shall attain to the aforesaid terms of years Item my will and desire is that the remainder of my Estate both Negros Stock &ca(?) be equally divided among all my children and do constitute and appoint my Loving wife Jean Right whole & sole Exrix of this my last Will and Testament to which have hereunto Set my hand & Seal this 24th Day of December 1735

This record indicates that Thomas Wright was under legal age of 21 on December 24, 1735, and therefore, born after December 24, 1714, and was probably the third son born to 1736 William Wright.

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that Thomas Wright was a son of 1736 William Wright and Jean (____)

Wright.

B. (Wright) Graves And Her Husband Graves

 (Wright) Graves was a daughter of 1657 Edward Wright and Joane (Evans) Wright. (1657 Edward¹)

York County, Virginia, Records 1665-1672 stated that the will of Edward Wright dated February 25, 1659, and recorded on July 24, 1667, at York County, Virginia, O.B. 4/152 listed William Graves as a grandson of Edward Wright:

"To son John Right my land, but if he dies under age, to other children
To grandson William Graves, a cow & calf
If wife marries, children to have cattle equally.

Dated 25 Feb. 1659

Edward (EW) Right

Wit:

David (O) Jarrat

John Tiplady

Recorded 24 July 1667"

This record identifies (Wright) Graves as a daughter of Edward Wright and Joane (Evans) Wright.

1. William Graves

William Graves was a son of (Wright) Graves and Graves. (1657 Edward¹, ²)

York County, Virginia, Records 1665-1672 stated that the will of Edward Wright dated February 25, 1659, and recorded on July 24, 1667, at York County, Virginia, O.B. 4/152 listed William Graves as a grandson of Edward Wright:

"To son John Right my land, but if he dies under age, to other children
To grandson William Graves, a cow & calf
If wife marries, children to have cattle equally.

Dated 25 Feb. 1659

Edward (EW) Right

Wit:

David (O) Jarrat

John Tiplady

Recorded 24 July 1667"

York County, Virginia Marriage References and Family Relationships, 1636-1800, by F. Edward Wright, listed William Graves as a grandson of Edward Wright

based on the record set forth above:

"Wright/Right, Edward (d. 1659-61) m. Joane (N). Edward was father of John and grandfather of William Graves. {YCCR 1659-1662: 76; YCCR 1665-1672: 83}"

C. Elizabeth (Wright) Tompson And Her Husband John Tompson

Elizabeth (Wright) Tompson was a daughter of 1657 Edward Wright and Joane (Evans) Wright. (1657 Edward¹)

York County, Virginia, Records 1665-1672, by Benjamin B. Weisiger III, stated that on November 25, 1667, at York County, Virginia, O.B. 4/159, Thomas Wills was summoned by Edward Mosse to account for the estate of the orphans of Edward Wright:

"Thomas Wills was summoned at suit of Mr. Edward Mosse on behalf of orphans of Edward Wright, dec'd, to give account of estate; and he giving account, Mr. John Tiplady and Mr. William Paddison to divide estate and give orphans' portion to Edward Mosse, their guardian."

York County, Virginia, Records 1665-1672, by Benjamin B. Weisiger III, stated that on June 26, 1671, at York County, Virginia, Ct.O.B. 4/351, Edward Mosse was to deliver cattle in his possession to John Tompson, who had married Elizabeth Wright:

"John Tompson, who married Elizabeth Wright, orphan, is to be possessed of cattle belonging to her in custody of Mr. Edward Mosse, and it is ordered that Mr. Robert Curtis make division of the cattle among the children."

Since Edward Mosse was guardian for the orphan children of Edward Wright, this record identifies the Elizabeth Wright who married John Tompson as a daughter of Edward Wright.

In his letter dated March 19, 1998, Robert Davidson enclosed a family chart which stated that Elizabeth Wright was a daughter of Edward Wright and Joane (Evans) Wright and married John Thomson in 1671.
